

POLICY MANUAL

Title:	Garden Sheds – Planning Approval and Building Permit
Previous No:	
File No:	
Statutory Environment:	
Minute No:	
Last Updated:	
Review Date:	June 2013

Objective:

The purpose of this policy is to provide certainty in relation to approval requirements, if any, for minor prefabricated garden sheds.

Policy:

No Planning Approval or Building Permit is required for one (1) prefabricated garden shed with a floor area of 10m² or less, wall height of 1.8m and ridge height of 2.1m per lot, providing that it complies with the various site requirements of Council's Policy No. 8.12 'Outbuildings'.
