HARTL, CHRISTOPHER

I have had the privilege of the serving the community of Brookton over the past 18 months and would like to continue to do so and give back to the town that has welcomed Cait, Lawson and I with open arms.

We have exciting times ahead with the continual development of our community through the Innovations Pathways as we work together with members of the community and the businesses within them.

If re-elected I will continue to act in the best interests of our community and will always welcome criticism and be guided by you.

The growth of our Businesses, Community, Education, Training and Healthcare are still a focus for me as we continue to guide our town forward and promote it as a prosperous positive place to live.
