Hayden Charlene

My name is Charlene Hayden, I am a Ballardong Noongar woman with a strong passion for community and country. Growing up in Brookton both my parents have had a strong and committed involvement in the community through sport and work and this has instilled in me the same traits. If elected into council I would like to give back to the community I love. In my time here I have helped start and facilitate the Noongar youth group, been awarded an Australia Day award for my community efforts and I am currently working as a language teacher in the local school. I feel as though my time in Brookton in the past and present and my passion for this town makes me a suitable candidate for council and I look forward to contributing to the development and betterment of the Brookton Shire and Community.
