Marilyn Macnab

I have a great belief in Brookton and it's future, the potential it has for current and future development, and that we have a great community spirit. I believe that my previous expansive experiences and that I have run several successful business's in our town will allow me to represent the Brookton Community in a positive and realistic way. I have farmed, run a Transport Business and Roadhouse in Brookton, then worked in the Civil Construction Industry, Banking, Meat Industry and Tourism. Currently I am involved in several community groups (RSL, Aldersyde Agricultural Hall, Friends of Kalkarni, Brookton OTMS) as well as being employed at the Brookton CRC. Previously I have been involved voluntarily in Brookton with Tourism, Lion's Ladies, Wesfarmers Co-op Board and Chairperson of the Hospital Board. I embrace the town of Brookton and that is why we chose to retire here.
