

# **COOOE CALL TO COMMUNITY & COUNTRY! YOUR FARM – YOUR FUTURE?**

Following from the Farmers and Livestock meeting in Katanning last week, the Member for O'Connor – Rick Wilson is calling for all Wheatbelt farmers & agricultural industry representatives to come together to put the record straight!

The cessation of the live sheep export trade is now having a direct impact on the livelihood of sheep farmers & their families but also on supporting agricultural industries such as machinery and feed manufacturers.

Look what happened to the live cattle industry when the Federal Government ceased live cattle trade in the Northern Territory. Don't let the facts impact on the future of the agricultural sector.

Farmers, industry representatives and the wider community suffer as a result of misinformation. Let's get the facts STRAIGHT.

Let your feet do the walking and come along to the:
