Candidate name	<b>Gary CROUCH</b>
District	<b>Shire of Brookton</b>
Nominating for	<b>Councillor for Shire of Brookton</b>
Election type	<b>Ordinary</b>
Enrolment status	<b>CROUCH, Gary is eligible to stand for election as a resident of the Shire of Brookton.</b>

Hi, my name is Gary Crouch. I am 66 years old and the proud father of six children.

I have worked in mechanical engineering for most of my life, primarily in the mining industry throughout Australasia and Europe, culminating with my services to the military throughout the World, before retiring here in Brookton.

My main claim to fame is probably that I have travelled the world extensively, over the years living and exploring in over 100 different countries. With this wealth of experience, I am confident that I can significantly add valuable insight into the decisions affecting our community.

We all have many unique issues and interests, and I would like to research and collaborate with various groups and organisations to ensure that we make the best decisions to help our town grow and thrive into the future

## Additional Information

Hi, my name is Gary Crouch. I am 66 years old and the proud father of six children. I have worked in mechanical engineering for most of my life, primarily in the mining industry throughout Australasia and Europe, culminating with my services to the military throughout the World, before choosing here in Brookton.

My roles have evolved over the years from mechanical engineer to major project manager for Iluka resources, northern Australian region operations manager for BAE Systems, covering our military bases from Exmouth across to Cairns. Global maintenance manager responsible for fuel supply to all allied forces, throughout Africa and the middle east, based in Kandahar in Afghanistan.

Previous community roles that I have been involved with included:  
Team leader Underground Mines rescue  
President St Johns Sub centre,  
Team Leader (SES) State emergency services  
Lieutenant (VBFRS) Volunteer Bush Fire Brigade Incident Management

Over the years, through my employment and my love of travel, I have travelled the world extensively, living and exploring in over 100 countries. With this wealth of experience, I am confident that I can significantly add valuable insight into the decisions affecting our community.

We all have many unique issues and interests, and I would like to research and collaborate with various groups and organizations to ensure that we make the best decisions to help our town grow and thrive into the future.

It is time for us to make a difference and work to assist all we can in our community, to work together for the greater interest and to make Brookton great again. Lets set the example of how a small diverse town in this day and age can not only survive, but can grow and expand.

Help me, help you!
