

Community Budget Submission 2026/2027

The Shire of Brookton invites community members to submit requests for consideration as part of the 2026/27 Annual Budget. Requests may relate to new or improved Shire assets or services.

All submissions should demonstrate a clear link to the Shire's Community Strategic Plan, including reference to the relevant growth pillar. Providing as much information with your request is appreciated, including quotes, costings and detailed description.

Community budget requests close on **24 April 2026**.

All submissions will be assessed through the Shire's annual budget process. While every request will be reviewed, inclusion in the final budget cannot be guaranteed, as Council will balance competing priorities, available resources, and the discretionary nature of funding.
