Enrolment status	HARBEN, Peta is eligible to stand for election as a resident of the Shire of Brookton.

Hi Brookton Community,

I'm Peta Harben and I have resided in Brookton since 2021.

I'm up for the challenge and not afraid to stand up and ask the questions.

I want to ensure the voice of community members is heard, including those that feel overlooked or under-represented, strengthen local belief in a collaborated approach, encourage community participation in local issues and decision making, offer practical ideas to council, address challenges with fresh ideas and a wider based approach.

I look forward to a catalyst for change to ensure families feel supported, seniors valued, town history preserved, and encourage a push for progress to shape a future for Brookton that we can all be proud of.

I am committed to transparency and accountability, and will bring these principles to council.

I have an extensive work history in Administration and Finance, working for the private sector, State and Local Government Departments, and on projects with the Department of Defence Australia and America.
