WALLIS, Roderick

WALLIS, Roderick is eligible to stand for election as a resident of the Shire of Brookton.

I am a relatively new resident of what I consider to be the beautiful Town of Brookton. My Wife & I recently purchased the local pub in town and we, as a family including my 2 young adult children have really embraced life in Brookton. Collectively we have many years of business experience and understand the challenges facing Small Business and Local Government alike.

Brookton offers many opportunities to people of all ages and walks of life, I would like the opportunity to explore and help develop these opportunities to assist all of us in the Community for many years to come.

I do love a good chat as those who know me will attest to, my door is always open for anyone wishing to discuss concerns or issues.

As we see advertised, the best way to influence change is to be involved in the decision making process, something I embrace every day in Small Business and look forward to sharing my experience in a positive way in Local Government for our community of Brookton.

Postal Address: PO Box 9 BROOKTON 6306
