# **Summary of Report:**

Council is to consider reallocating 2023/24 Roads to Recovery (R2R) funding to Buckingham Road and Whittington Street due to a delay in receiving the Shires Wheatbelt Secondary Freight Network (WSFN) funding allocation for Dangin Mears Road.

# **Description of Proposal:**

With the removal of Dangin Mears Road from the program and because the works were scheduled to be completed in-house, alternative revenue sources for shire wages, overheads and plant operating costs will need to be found.

There are presently three approved Roads to Recovery (R2R) program resealing projects which are yet to commence that could be withdrawn and reallocated. These include:

| Road                   | SLK                | Cost              |
|------------------------|--------------------|-------------------|
| Corberding Road Reseal | SLK 7.96 to 8.16   | \$15 <i>,</i> 753 |
| Brookton Kweda Reseal  | SLK 25.27 to 26.66 | \$55 <i>,</i> 749 |
| McGrath Street Reseal  | SLK 0.25 to 0.60   | \$21,703          |
|                        | Total              | \$93,205          |

The R2R program supports the construction and maintenance of the local road infrastructure assets, which facilitates greater accessibility and improves safety, economic and social outcomes for all its users. R2R is an ongoing program that operates over a five-year funding period, providing a stable and predictable source of funding. Flexibility is built into the program, with funding recipients able to decide on the road projects that deliver on local priorities throughout the funding period.

The R2R funs could be reallocated to the following projects:

| Road               | SLK              | Cost     |
|--------------------|------------------|----------|
| Buckingham Road    | SLK 1.69 to 2.69 | \$77,367 |
| Whittington Street | SLK 0 to 0.01    | \$15,838 |
|                    | Total            | \$93,205 |

It is proposed that the above two projects be carried out using R2R funding, replacing the resealing of Corberding, Brookton Kweda and McGrath Streets along with the reconstruction of Dangin Mears Road.

The Shire of Brookton's recent road assessment of unsealed roads listed the condition of Buckingham Road as poor. Sections of Buckingham Road require gravel re-sheeting along with vegetation pruning. A summary of the road assessment information is attachment 12.02.24.01A.

The Shire has completed an assessment of the road drainage adjacent to the Brookton Hotel. A broken drainage pipe alongside the Hotel needs needs replacement as the damaged section of pipe could possibly be contributing to the hotel cellar being flooded.

## **Background:**

The Shire of Brookton made an allocation within its 2023/24 annual budget to reconstruct a further four-kilometre section of Dangin Mears Road using funding from the WSFN. Although the project has been approved, the WSFN are still waiting for the Project Proposal Report (PPR) to be signed by the Commonwealth Government to allow approved projects to proceed. The WSFN still have no confirmed date when or if this funding approval will occur.

As a result of this delay, it is now too late to have this four-kilometre section completed this financial year, prior to the onset of when seasonal rainfall is expected to occur.

#### **Consultation:**

The item has been discussed by the Executive Team and was presented for discussion and debate at Councils February briefing forum.

# **Statutory Environment:**

Section 2.7(2) of the Local Government Act (1995)provides that Council is to oversee the allocation of local government finances and resources and to determine the local government policies.

Regulation 33A of the Local Government (Financial Management) Regulations 1996 empowers a Council to review and amend its annual budget.

# Relevant Plans and Policy: Nil

### **Financial Implications:**

The overall costs are within the original R2R budget allocation figures and are wholly grant funded. There will however be changes to the shires estimated wages, overheads, material, and plant operating costs for these works because of it being completed in-house.

# **Risk Assessment:**

The risk in relation to this matter is assessed as "Low" as reducing the risk when improving the quality of a road asset through gravel re-sheeting or drainage improvements will have a stronger safety outcome.

| Consequence<br>Likelihood | Insignificant | Minor  | Moderate | Major  | Extreme |
|---------------------------|---------------|--------|----------|--------|---------|
| Almost Certain            | Medium        | High   | High     | Severe | Severe  |
| Likely                    | Low           | Medium | High     | High   | Severe  |
| Possible                  | Low           | Medium | Medium   | High   | High    |
| Unlikely                  | Low           | Low    | Medium   | Medium | High    |
| Rare                      | Low           | Low    | Low      | Low    | Medium  |

| Risk Rating | Action  |
|-------------|---|
| LOW         | Monitor for continuous improvement.   |
| MEDIUM      | Comply with risk reduction measures to keep risk as low as reasonably practical.                      |
| HIGH        | Review risk reduction and take additional measures to ensure risk is as low as reasonably achievable. |
| SEVERE      | Unacceptable. Risk reduction measures must be implemented before proceeding.                          |

# **Community & Strategic Objectives:**

The upgrading or improvement of Council's Road or Drainage infrastructure, aligns with the Shire of Brookton's Strategic Community and Corporate Business plans.

# 12.02.24.02 ROAD CLOSURE SECTION OF ROBINSON ROAD AND BARTRAM STREET

File No: ROA015

**Date of Meeting**: 15 February 2024

**Location/Address**: Robinson Road and Bartram Street

Name of Applicant: Shire of Brookton
Name of Owner: Shire of Brookton

Author/s: Gary Sherry – Chief Executive Officer
Authorising Officer: Gary Sherry – Chief Executive Officer

**Declaration of Interest**: The author and authorising officer do not have an interest

in this item

**Voting Requirements:** Simple Majority

Previous Report: N/A

# **Summary of Report:**

Council is to consider proposing to permanently close sections of Robinson Road and Bartram Streets in Brookton to allow Calibre Spraying Pty Ltd T/As Eagle Eye Engineering (Calibre) to purchase the land for incorporation into their business premises.

# **Description of Proposal:**

The two sections of unused and unmade road reserves to be considered for closing are in the Brookton townsite. A location map is included at Attachment 12.02.24.02A.

The proposed road reserve areas to be closed included;

- The area of Bartram Street to the North of 86 Richardson Street, from Richardson Street to Robinson Road; and
- 2. The area of Robinson Road that runs behind 86 Richardson Street and 90 Richardson Street.

The total area of road reserve proposed to be closed outlined in Attachment 12.02.24.02B. The estimated area of land is up to 3,300m<sup>2</sup>.

Closing this area of road reserve will allow the road reserve to be purchased from the state government and be incorporated into the existing properties from which the business currently operates.

Should Council be successful in closing these sections of road reserve, Calibre would need to separately negotiate with state government to purchase this land. Council cannot guarantee any aspect of this transaction.

# **Background:**

Calibre is local business experiencing substantial growth through their industry leading implementation of technology into agriculture machinery. In the last two years their workforce has quadrupled, and they have purchased and leased additional property to allow expansion of their production.

The owner of Calibre, Mr Daniel Watkins, currently owns the following property:

| Ass No. | Address              | Lot No. | Dola PIN | Area m2 |
|---------|----------------------|---------|----------|---------|
| A927    | 86 Richardson Street | 21      | 670446   | 3,996   |
| A318    | 90 Richardson Street | 53      | 670447   | 3,035   |
| A318    | 90 Richardson Street | 52      | 670449   | 1,012   |
|         |                      |         |          | 8,043   |

Staff understand that Calibre are separately investigating the purchase of purchase of Crown land at 82 and 78 Richardson Street.

The Shire has received correspondence from Calibre requesting that the Shire of Brookton:

close the road reserve that is Bartram Street to the North of 86 Richardson Street, running through 82 Richardson Street & the road reserve that is Robinson Road that runs behind 86 - 90 Richardson Street.

Calibre Spraying Pty Ltd is undergoing significant growth and is looking to acquire more land, the natural location is for us to expand to the north of taking in the old road reserve & 82 Richardson Street.

#### **Consultation:**

Council will conduct widespread consultation proposing the road reserve closure in keeping with the requirements of the Land Administration Act.

# **Statutory Environment:**

Section 58 of the Land Administration Act (1997) applies to this matter. The process for a local government to close a road reserve is:

- 1. Council formally decides at Council meeting to consider closing a road.
- 2. Council advertises its intention to consider closing a road in local publication, such as the Narrogin Observer, giving a period of notice to provide submissions. Other publicity will also be completed.
- Council would write to advise service agencies impacted by the road closure. This could include Water Corporation, Western Power, Telstra, the Dept. of Industry and Resources, Main Roads WA, Department of Aboriginal Affairs and the Department of Planning Lands and Heritage. Notice would normally also be provided to adjacent or nearby local land owners.
- 4. Council formally decides to close the road. This must be at least 35 days after the notice was published in the local newspaper. Any objections must be considered by Council.
- 5. Council writes to the Minister (with plans of road to be closed, copies of advice to service agencies, copy of the Council minutes, copies of any submissions, any other relevant information) requesting closure of road.

# Relevant Plans and Policy: Nil

# **Financial Implications:**

There will be minor cost associated with advertising. With a future purchase of the land currently in the road reserve, Council would earn additional rate income.

# **Risk Assessment:**

Closing the identified sections could have major future consequences if the road is required for a future purpose. Once completed the road closure cannot easily be reversed.

The likelihood of future negative consequences are unlikely. This road only services land already owned by Calibre Spraying and these properties have alternative access via Richardson Street.

The identified risk of major consequences and unlikely likelihood is Medium.

Previous Report: N/A

# **Summary of Report:**

Council is to consider waiving or reducing the adopted charge for the hire of the WB Eva Pavilion facility hire and Community Bus hire, for the Curtin University Student Rural Immersion Program  $12^{th}-15^{th}$  March 2024.

# **Description of Proposal:**

Curtin University's Student Rural Immersion Program seeks to increase awareness and appreciation of rural Australia to pre-medical students interested in pursuing a medical career in regional and rural areas.

There will be 15-20 student involved in the Curtin University Student Rural Immersion Program in Brookton on 12<sup>th</sup>-15<sup>th</sup> March 2024.

The request is provided as Attachment 13.02.24.01A.

# **Background:**

Curtin University, Rural Health WA and the Rural Clinical School of WA have been collaborating since 2018 to bring pre-medical students to the Wheatbelt area to meet with local health professionals, visit local schools, farms and businesses and learn about the challenges and highlights of rural life.

The program also aims to provide students with an understanding of how best to care and provide support to people from rural WA, regardless of the medical location.

Based on the success of the 2023 Brookton program, the Shire has been invited and agreed to participate again.

# **Consultation:**

Tallulah Sargon representing Rural Health West has been in discussion with Kylie Freeman, Brookton CRC Coordinator, in respect to the proposed event.

# **Statutory Environment:**

Local Government Act 1995

- 6.12. Power to defer, grant discounts, waive or write off debts
- (1) Subject to subsection (2) and any other written law, a local government may
  - (b) waive or grant concessions in relation to any amount of money; or
  - (c) write off any amount of money, which is owed to the local government.
- (2) Subsection (1)(a) and (b) do not apply to an amount of money owing in respect of rates and service charges.
- (3) The grant of a concession under subsection (1)(b) may be subject to any conditions determined by the local government. Shire of Brookton, Ordinary Meeting of Council, 18 November 2021 Minutes 13
- (4) Regulations may prescribe circumstances in which a local government is not to exercise a power under subsection (1) or regulate the exercise of that power.

# **Relevant Plans and Policy:**

There are no relevant plans or policy applicable to this matter.

# **Financial Implications:**

Under the Council's 2023-2024 Schedule of Fees and Charges, the following applies:

**WB Eva Pavilion** 

(Commercial and Other Agencies) Community Room - \$27.00 per hour. Wednesday  $13^{th}$  March 2024 - 8.30am - 10.00am. 2 hours @ \$27.00 per hour = \$54.00.

(Commercial and Other Agencies) Entire Facility - \$347.00 (daily rate) Thursday 14<sup>th</sup> March 2024 – 4.00pm – 9.00pm.

A bond of \$250.00 will be held by the Shire of Brookton.

# **Community Bus**

Full hire - \$0.95 per km. Minimum hire - \$44.00 (The bus will be required to travel from Brookton to Pingelly and return only  $-2 \times 19$ km @ \$0.95c per km = \$36.10).

Curtin University Medical Student Immersion Program representatives have requested that the hire fees be waived or reduced, therefore the cost to Council would be a reduction of revenue of up to \$445.00.

### **Risk Assessment:**

The risk in relation to this matter is assessed as "Low".

Dear Gary

#### Letter of Agreement - Curtin Medical Student Rural Immersion Week

The Curtin Medical Student Rural Immersion Week (CMSRIW) is an initiative of Curtin University Faculty of Health Sciences, Rural Health West and Rural Clinical School Western Australia.

This annual program provides second year medical students from Curtin University with a community immersion experience based in the Wheatbelt and Great Southern region of Western Australia.

Through their participation in CMSRIW, over 120 medical students learn about the lifestyle benefits, challenges, and health issues faced by rural communities.

The participating organisations have made significant financial or in-kind contributions towards the 2024 program that will run from 12 – 15 March 2024.

On behalf of the CMSRIW planning groups, the purpose of this Letter of Agreement is to confirm the in-kind support and contributions to be made by the Shire of Brookton.

In-kind contributions can include venue hire, use of a community bus and transport, assistance with the coordination of billeting of students, and involving students in community events and activities.

The intent is to commit to the project for the 2024 program with an annual review held at the conclusion of the program. This Agreement will be effective upon signing until 31 December 2024.

Previous Report: N/A

# **Summary of Report:**

Council to consider an application from Threshold Environmental Pty Ltd (Threshold) to collect native plant seed from reserve land vested in the Shire of Brookton for a period 12 months.

# **Description of Proposal:**

Threshold's request is similar to other requests received by Council from a range of groups seeking commercial seed/specimen collection on Shire of Brookton controlled land.

Staff believe that the conditions of approval of such activities should include responsible collection methods.

# **Background:**

Council has received a request from Mr Justin Jonson, Managing Director of Threshold, to pick seed on Crown Land within the Shire of Brookton. Permission from the Shire of Brookton is required as part of a Flora Taking Licence — Commercial Purposes (CP60000376) with the Department of Biodiversity Conservation and Attractions (DBCA). The seed collected will be used for revegetation works in the Shire and surrounding areas.

Threshold advise that they are a professional seed operation who respects the environment and seek to collect seed (woody fruits) on Unallocated Crown Land (UCL) in Shire of Brookton managed Crown Reserves and Road Reserves.

Threshold will agree to abide by all terms of any Council Permission.

Staff can find no record of a previous approval for these applicants. It is presumed that the application is for commercial activities arising from the use of the collected seed/specimens.

Consultation: Nil

# **Statutory Environment:**

Local Government Act (1995) Biodiversity Conservation Act 2016 Biodiversity Conservation Regulations 2018

# **Relevant Plans and Policy:**

There are currently no relevant plans or policy applicable to this matter. A delegation to allow staff to process such applications may be included in the next review of delegations.

Financial Implications: Nil.

#### **Risk Assessment:**

The risk in relation to this matter is assessed as "Low".

# **Community & Strategic Objectives:**

The collection of seed for use in revegetation projects around the Shire of Brookton is a broad environmental strategic objective.

# Comment

In the past Council has approved permission to collect seed to entities such as Greening Australia and Department of Biodiversity, Conservation and Attractions, or others working on their behalf.

# OFFICER'S RECOMMENDATION

That Council grant Threshold Environmental Pty Ltd permission to access land controlled by the Shire of Brookton for the purpose of native seed collection subject to the following:

- 1. Approval is for a twelve month period, concluding on 31st January 2025;
- 2. This approval is only for collection only by Threshold Environmental Pty Ltd;
- 3. All persons collecting native seed are licensed according to the Biodiversity Conservation Act 2016 and Biodiversity Conservation Regulations 2018 and will comply the conditions of this license;

- sighting by Council of proof of current public liability insurance of at least \$2 Million; 4.
- 5. Appropriate measures will be followed at all times to prevent the spread of plant disease and weed, to avoid the disturbance of fauna habitat and to avoid any disturbance that may lead to soil degradation;
- 6. all people engaged in seed collection are to wear high visibility safety clothing; and
- 7. a report detailing the Shire of Brookton reserves accessed and seed collected be provided upon request of the Shire of Brookton.

### **Background:**

In accordance with Local Government (Financial Management) Regulations 1996 Clause 13 (1) schedules of all payments made through Council's bank accounts are presented to Council.

#### **Consultation:**

There has been no consultation on this matter.

### **Statutory Environment:**

Local Government (Financial Management) Regulations 1996

- 13. Payments from municipal fund or trust fund by CEO, CEO's duties as to etc.
- (1) If the local government has delegated to the CEO the exercise of its power to make payments from the municipal fund or the trust fund, a list of accounts paid by the CEO is to be prepared each month showing for each account paid since the last such list was prepared
  - (a) the payee's name; and
  - (b) the amount of the payment; and
  - (c) the date of the payment; and
  - (d) sufficient information to identify the transaction.
- (2) A list of accounts for approval to be paid is to be prepared each month showing
  - (a) for each account which requires council authorisation in that month
    - (i) the payee's name; and
    - (ii) the amount of the payment; and
    - (iii) sufficient information to identify the transaction; and
  - (b) the date of the meeting of the council to which the list is to be presented.

- (3) A list prepared under sub-regulation (1) or (2) is to be
  - (a) presented to the council at the next ordinary meeting of the council after the list is prepared; and
  - (b) recorded in the minutes of that meeting.

#### 13A. Payments by employees via purchasing cards

- (1) If a local government has authorised an employee to use a credit, debit or other purchasing card, a list of payments made using the card must be prepared each month showing the following for each payment made since the last such list was prepared
  - (a) the payee's name;

## 14.02.24.03 STATEMENT OF FINANCIAL ACTIVITY FOR THE PERIOD ENDED 31 DECEMBER

2023

File No: N/A

**Date of Meeting**: 15 February 2024

Location/Address: N/A

Name of Applicant: Shire of Brookton
Name of Owner: Shire of Brookton

**Author/s:** Charlotte Cooke – Senior Finance Officer

Authorising Officer: Deanne Sweeney - Manager Corporate & Community

Declaration of Interest: The authors have no financial interest in this matter

**Voting Requirements:** Simple Majority **Previous Report:** 30/11/2023

#### **Summary of Item:**

The Statement of Financial Activity for period ending 31 December 2023 together with associated commentaries are present for Council's consideration.

### **Description of Proposal:**

That Council receives the Statement of Financial Activity for the period ended 31 December 2023, as presented.

### **Background:**

In accordance with regulation 34 of the *Local Government (Financial Management)* Regulations 1996, the Shire is to prepare a monthly Statement of Financial Activity for approval by Council. December and January's reports are presented in February as Council does not meet in January.

#### **Consultation:**

Reporting officers receive monthly updates to track expenditure and income.

### **Statutory Environment:**

Section 6.4 of the *Local Government Act 1995* requires a Local Government to prepare an annual financial statement for the preceding year and other financial reports as they prescribed.

Regulation 34(1) of the *Local Government (Financial Management) Regulations 1996* as amended requires the Local Government to prepare monthly financial statements and report on actual performance against what was set out in the annual budget.

### **Relevant Plans and Policy:**

There is no Council Policy relevant to this item.

### **Financial Implications:**

The Budget is regularly monitored on at least a monthly basis, by the Chief Executive Officer, the Manager Corporate & Community and the Senior Finance Officer. Responsible Officers are also required to review their particular line items for anomalies each month, with a major review required by law, between 1 January and 31 March of each year pursuant to the *Local Government (Financial Management) Regulations* 1996 (Regulation 33A).

Any material variances that have an impact on the outcome of the budgeted closing surplus position are detailed in the Monthly Financial Report contained within attachment 14.02.24.03A.

#### **Risk Assessment:**

The risk in relation to this matter is assessed as 'Low' on the basis that if Council does not receive the Monthly Financial Reports for the month reported leading to the Shire not meeting legislative requirements on financial reporting. The risk identified would be failure to fulfil statutory regulations or compliance requirements.

| Risk Rating | Action  |
|-------------|---|
| LOW         | Monitor for continuous improvement.   |
| MEDIUM      | Comply with risk reduction measures to keep risk as low as reasonably practical.                      |
| HIGH        | Review risk reduction and take additional measures to ensure risk is as low as reasonably achievable. |
| SEVERE      | Unacceptable. Risk reduction measures must be implemented before proceeding.                          |

### **Community & Strategic Objectives:**

Responsible financial management is critical to deliver on the Strategic Community Plan.

The Corporate Business Plan determines the local government's resource allocations which form the construction of the Annual Budget. The financial statements thus measure performance against the Corporate Business Plan by providing comparatives against the Annual Budget.

This proposal relates to delivery of core business and services detailed in the Shire of Brookton Corporate Business Plan and Strategic Community Plan July 2022 - June 2032.

Specifically, the contract services supports the following Business Unit and Functions:

#### 18. Financial Control

- 18.2 Conduct external/internal audits and reporting
- 18.4 Review/Manage financial investments
- 18.5 Process rates, other revenues, timely payments

#### Comment

The Monthly Financial Reports has been prepared in accordance with statutory requirements.

#### OFFICER'S RECOMMENDATION

That Council, accordance with Section 6.4 of the Local Government Act 1995 and Regulation 34 of the Local Government (Financial Management) Regulations 1995, receives the Monthly Statements of Financial Activity for the 31 December 2023, in as presented in attachment 14.02.24.03A.

# KEY INFORMATION

▲▼ Indicates a variance between Year to Date (YTD) Budget and YTD Actual data as per the adopted materiality threshold. Refer to Note 15 for an explanation of the reasons for the variance.

The material variance adopted by Council for the 2022/23 year is \$10,000 and 10%.

This statement is to be read in conjunction with the accompanying Financial Statements and notes.

# **BASIS OF PREPARATION**

The financial report has been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and interpretations of the Australian Accounting Standards Board, and the *Local Government Act 1995* and accompanying Regulations.

The Local Government Act 1995 and accompanying Regulations take precedence over Australian Accounting Standards where they are inconsistent.

The Local Government (Financial Management) Regulations 1996 specify that vested land is a right-of-use asset to be measured at cost, and is considered a zero cost concessionary lease. All right-of-use assets under zero cost concessionary leases are measured at zero cost rather than at fair value, except for vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 which would have required the Shire to measure any vested improvements at zero cost.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the financial report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

#### THE LOCAL GOVERNMENT REPORTING ENTITY

All funds through which the Shire controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

All monies held in the Trust Fund are excluded from the financial statements. A separate statement of those monies appears at Note 15 to these financial statements.

# SIGNIFICANT ACCOUNTING POLICES

#### CRITICAL ACCOUNTING ESTIMATES

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities not readily apparent from other sources.

Actual results may differ from these estimates.

The balances, transactions and disclosures impacted by accounting estimates are as follows:

- estimation of fair values of certain financial assets
- estimation of fair values of fixed assets shown at fair value
- impairment of financial assets

# GOODS AND SERVICES TAX

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position. Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

#### **ROUNDING OFF FIGURES**

All figures shown in this statement are rounded to the nearest dollar.

# CURRENT AND NON-CURRENT CLASSIFICATION

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. Unless otherwise stated assets or liabilities are classified as current if expected to be settled within the next 12 months, being the Council's operational cycle.

#### KEY INFORMATION

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Bank overdrafts are reported as short term borrowings in current liabilities in the statement of net current assets.

The local government classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

Financial assets at amortised cost held with registered financial institutions are listed in this note other financial assets at amortised cost are provided in Note 4 - Other assets.

#### KEY INFORMATION

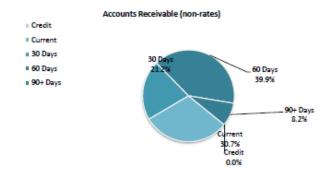

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Trade receivables are recognised at original invoice amount less any allowances for uncollectable amounts (i.e. impairment). The carrying amount of net trade receivables is equivalent to fair value as it is due for settlement within 30 days.

#### Classification and subsequent measurement

Receivables which are generally due for settlement within 30 days except rates receivables which are expected to be collected within 12 months are classified as current assets. All other receivables such as, deferred pensioner rates receivable after the end of the reporting period are classified as non-current assets.

Trade and other receivables are held with the objective to collect the contractual cashflows and therefore the Shire measures them subsequently at amortised cost using the effective interest rate method.

# KEY INFORMATION

# Other financial assets at amortised cost

The Shire classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

# Inventory

Inventories are measured at the lower of cost and net realisable value.

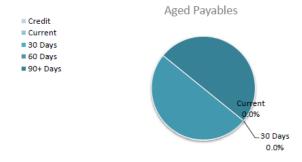

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

#### KEY INFORMATION

Trade and other payables represent liabilities for goods and services provided to the Shire prior to the end of the period that are unpaid and arise when the Shire becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition. The carrying amounts of trade and other payables are considered to be the same as their fair values, due to their short-term nature.

#### KEY INFORMATION

Prepaid rates are, until the taxable event for the rates has occurred, refundable at the request of the ratepayer. Rates received in advance give rise to a financial liability. On 1 July 2023 the prepaid rates were recognised as a financial asset and a related amount was recognised as a financial liability and no income was recognised. When the taxable event occurs the financial liability is extinguished and income recognised for the prepaid rates that have not been refunded.

# SIGNIFICANT ACCOUNTING POLICIES

Each class of fixed assets within either plant and equipment or infrastructure, is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Assets for which the fair value as at the date of acquisition is under \$5,000 are not recognised as an asset in accordance with *Financial Management Regulation 17A (5)*. These assets are expensed immediately.

Where multiple individual low value assets are purchased together as part of a larger asset or collectively forming a larger asset exceeding the threshold, the individual assets are recognised as one asset and capitalised.

# Initial recognition and measurement for assets held at cost

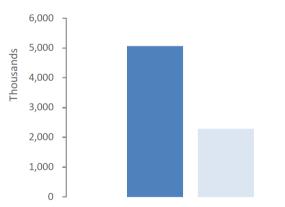

Plant and equipment including furniture and equipment is recognised at cost on acquisition in accordance with *Financial Management Regulation 17A*. Where acquired at no cost the asset is initially recognise at fair value. Assets held at cost are depreciated and assessed for impairment annually.

# Initial recognition and measurement between

# mandatory revaluation dates for assets held at fair value

In relation to this initial measurement, cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at zero cost or otherwise significantly less than fair value, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the Shire includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads.

The Shire has no unspent debenture funds as at 30th June 2023, nor is it expected to have unspent funds as at 30th June 2024.

#### KEY INFORMATION

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset until such time as the asset is substantially ready for its intended use or sale.

Fair values of borrowings are not materially different to their carrying amounts, since the interest payable on those borrowings is either close to current market rates or the borrowings are of a short term nature. Non-current borrowings fair values are based on discounted cash flows using a current borrowing rate.

All lease repayments were financed by general purpose revenue.

#### KEY INFORMATION

At inception of a contract, the Shire assesses if the contract contains or is a lease. A contract is or contains a lease, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. At the commencement date, a right of use asset is recognised at cost and lease liability at the present value of the lease payments that are not paid at that date. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Shire uses its incremental borrowing rate.

All contracts classified as short-term leases (i.e. a lease with a remaining term of 12 months or less) and leases of low value assets are recognised as an operating expense on a straight-line basis over the term of the lease.

# KEY INFORMATION

#### **Provisions**

Provisions are recognised when the Shire has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

# **Employee Related Provisions**

#### Short-term employee benefits

Provision is made for the Shire's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the calculation of net current assets.

# Other long-term employee benefits

The Shire's obligations for employees' annual leave and long service leave entitlements are recognised as employee related provisions in the statement of financial position.

Long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur. The Shire's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Shire does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

# **Contract liabilities**

An entity's obligation to transfer goods or services to a customer for which the entity has received consideration (or the amount is due) from the customer.

# Capital grant/contribution liabilities

Grants to acquire or construct recognisable non-financial assets to identified specifications be constructed to be controlled by the Shire are recognised as a liability until such time as the Shire satisfies its obligations under the agreement.

# 14.02.24.04 STATEMENT OF FINANCIAL ACTIVITY FOR THE PERIOD ENDED 31 JANUARY 2024

File No: N/A

**Date of Meeting**: 15 February 2024

Location/Address: N/A

Name of Applicant: Shire of Brookton
Name of Owner: Shire of Brookton

**Author/s:** Charlotte Cooke – Senior Finance Officer

Authorising Officer: Deanne Sweeney - Manager Corporate & Community

Declaration of Interest: The authors have no financial interest in this matter

**Voting Requirements:** Simple Majority **Previous Report:** 31/12/2023

# **Summary of Item:**

The Statement of Financial Activity for period ending 31 January 2024 together with associated commentaries are present for Council's consideration.

# **Description of Proposal:**

That Council receives the Statement of Financial Activity for the period ended 31 January 2024, as presented.

# **Background:**

In accordance with regulation 34 of the *Local Government (Financial Management)* Regulations 1996, the Shire is to prepare a monthly Statement of Financial Activity for approval by Council. December and January's reports are presented in February as Council does not meet in January.

# **Consultation:**

Reporting officers receive monthly updates to track expenditure and income.

# **Statutory Environment:**

Section 6.4 of the *Local Government Act 1995* requires a Local Government to prepare an annual financial statement for the preceding year and other financial reports as they prescribed.

Regulation 34(1) of the *Local Government (Financial Management) Regulations 1996* as amended requires the Local Government to prepare monthly financial statements and report on actual performance against what was set out in the annual budget.

# **Relevant Plans and Policy:**

There is no Council Policy relevant to this item.

# **Financial Implications:**

The Budget is regularly monitored on at least a monthly basis, by the Chief Executive Officer, the Manager Corporate & Community and the Senior Finance Officer. Responsible Officers are also required to review their particular line items for anomalies each month, with a major review required by law, between 1 January and 31 March of each year pursuant to the *Local Government (Financial Management) Regulations* 1996 (Regulation 33A).

Any material variances that have an impact on the outcome of the budgeted closing surplus position are detailed in the Monthly Financial Report contained within attachment 14.02.24.04A.

# **Risk Assessment:**

The risk in relation to this matter is assessed as 'Low' on the basis that if Council does not receive the Monthly Financial Reports for the month reported leading to the Shire not meeting legislative requirements on financial reporting. The risk identified would be failure to fulfil statutory regulations or compliance requirements.

| LOW         | Monitor for continuous improvement.   |
| MEDIUM      | Comply with risk reduction measures to keep risk as low as reasonably practical.                      |
| HIGH        | Review risk reduction and take additional measures to ensure risk is as low as reasonably achievable. |
| SEVERE      | Unacceptable. Risk reduction measures must be implemented before proceeding.                          |

# **Community & Strategic Objectives:**

Responsible financial management is critical to deliver on the Strategic Community Plan.

The Corporate Business Plan determines the local government's resource allocations which form the construction of the Annual Budget. The financial statements thus measure performance against the Corporate Business Plan by providing comparatives against the Annual Budget.

This proposal relates to delivery of core business and services detailed in the Shire of Brookton Corporate Business Plan and Strategic Community Plan July 2022- June 2032.

Specifically, the contract services supports the following Business Unit and Functions:

# 18. Financial Control

- 18.2 Conduct external/internal audits and reporting
- 18.4 Review/Manage financial investments
- 18.5 Process rates, other revenues, timely payments

# Comment

The Monthly Financial Reports has been prepared in accordance with statutory requirements.

# **OFFICER'S RECOMMENDATION**

# KEY INFORMATION

▲▼ Indicates a variance between Year to Date (YTD) Budget and YTD Actual data as per the adopted materiality threshold. Refer to Note 15 for an explanation of the reasons for the variance.

The material variance adopted by Council for the 2022/23 year is \$10,000 and 10%.

This statement is to be read in conjunction with the accompanying Financial Statements and notes.

# BASIS OF PREPARATION

# BASIS OF PREPARATION

The financial report has been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and interpretations of the Australian Accounting Standards Board, and the Local Government Act 1995 and accompanying Regulations.

The Local Government Act 1995 and accompanying Regulations take precedence over Australian Accounting Standards where they are inconsistent.

The Local Government (Financial Management) Regulations 1996 specify that vested land is a right-of-use asset to be measured at cost, and is considered a zero cost concessionary lease. All right-of-use assets under zero cost concessionary leases are measured at zero cost rather than at fair value, except for vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 which would have required the Shire to measure any vested improvements at zero cost.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the financial report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

#### THE LOCAL GOVERNMENT REPORTING ENTITY

All funds through which the Shire controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

All monies held in the Trust Fund are excluded from the financial statements. A separate statement of those monies appears at Note 15 to these financial statements.

# SIGNIFICANT ACCOUNTING POLICES

#### CRITICAL ACCOUNTING ESTIMATES

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities not readily apparent from other sources.

Actual results may differ from these estimates.

The balances, transactions and disclosures impacted by accounting estimates are as follows:

- estimation of fair values of certain financial assets
- estimation of fair values of fixed assets shown at fair value
- impairment of financial assets

#### GOODS AND SERVICES TAX

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position. Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

# CURRENT AND NON-CURRENT CLASSIFICATION

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. Unless otherwise stated assets or liabilities are classified as current if expected to be settled within the next 12 months, being the Council's operational cycle.

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Bank overdrafts are reported as short term borrowings in current liabilities in the statement of net current assets.

The local government classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

Financial assets at amortised cost held with registered financial institutions are listed in this note other financial assets at amortised cost are provided in Note 4 - Other assets.

#### KEY INFORMATION

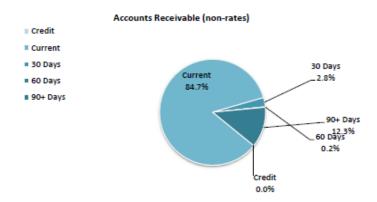

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Trade receivables are recognised at original invoice amount less any allowances for uncollectable amounts (i.e. impairment). The carrying amount of net trade receivables is equivalent to fair value as it is due for settlement within 30 days.

#### Classification and subsequent measurement

Receivables which are generally due for settlement within 30 days except rates receivables which are expected to be collected within 12 months are classified as current assets. All other receivables such as, deferred pensioner rates receivable after the end of the reporting period are classified as non-current assets.

Trade and other receivables are held with the objective to collect the contractual cashflows and therefore the Shire measures them subsequently at amortised cost using the effective interest rate method.

#### KEY INFORMATION

Other financial assets at amortised cost

The Shire classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

#### Inventory

Inventories are measured at the lower of cost and net realisable value.

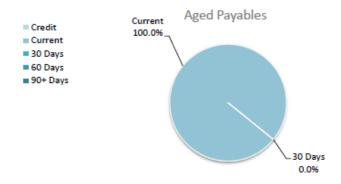

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

#### KEY INFORMATION

Trade and other payables represent liabilities for goods and services provided to the Shire prior to the end of the period that are unpaid and arise when the Shire becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition. The carrying amounts of trade and other payables are considered to be the same as their fair values, due to their short-term nature.

#### KEY INFORMATION

Prepaid rates are, until the taxable event for the rates has occurred, refundable at the request of the ratepayer. Rates received in advance give rise to a financial liability. On 1 July 2023 the prepaid rates were recognised as a financial asset and a related amount was recognised as a financial liability and no income was recognised. When the taxable event occurs the financial liability is extinguished and income recognised for the prepaid rates that have not been refunded.

# SIGNIFICANT ACCOUNTING POLICIES

Each class of fixed assets within either plant and equipment or infrastructure, is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Assets for which the fair value as at the date of acquisition is under \$5,000 are not recognised as an asset in accordance with Financial Management Regulation 17A (5). These assets are expensed immediately.

Where multiple individual low value assets are purchased together as part of a larger asset or collectively forming a larger asset exceeding the threshold, the individual assets are recognised as one asset and capitalised.

# Initial recognition and measurement for assets held at cost

Plant and equipment including furniture and equipment is recognised at cost on acquisition in accordance with *Financial Management Regulation 17A*. Where acquired at no cost the asset is initially recognise at fair value. Assets held at cost are depreciated and assessed for impairment annually.

# Initial recognition and measurement between

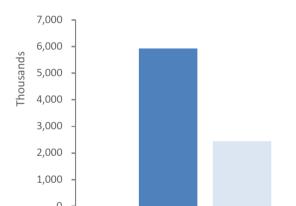

# mandatory revaluation dates for assets held at fair value

In relation to this initial measurement, cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at zero cost or otherwise significantly less than fair value, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the Shire includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads.

The Shire has no unspent debenture funds as at 30th June 2024, nor is it expected to have unspent funds as at 30th June 2025.

#### KEY INFORMATION

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset until such time as the asset is substantially ready for its intended use or sale.

Fair values of borrowings are not materiallly different to their carrying amounts, since the interest payable on those borrowings is either close to current market rates or the borrowings are of a short term nature. Non-current borrowings fair values are based on discounted cash flows using a current borrowing rate.

All lease repayments were financed by general purpose revenue.

#### **KEY INFORMATION**

At inception of a contract, the Shire assesses if the contract contains or is a lease. A contract is or contains a lease, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. At the commencement date, a right of use asset is recognised at cost and lease liability at the present value of the lease payments that are not paid at that date. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Shire uses its incremental borrowing rate.

All contracts classified as short-term leases (i.e. a lease with a remaining term of 12 months or less) and leases of low value assets are recognised as an operating expense on a straight-line basis over the term of the lease.

#### KEY INFORMATION

#### Provisions

Provisions are recognised when the Shire has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

#### **Employee Related Provisions**

#### Short-term employee benefits

Provision is made for the Shire's obligations for short-term employee benefits. Short-term employee benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the calculation of net current assets.

#### Other long-term employee benefits

The Shire's obligations for employees' annual leave and long service leave entitlements are recognised as employee related provisions in the statement of financial position.

Long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur. The Shire's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Shire does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

#### Contract liabilities

An entity's obligation to transfer goods or services to a customer for which the entity has received consideration (or the amount is due) from the customer.

#### Capital grant/contribution liabilities

Grants to acquire or construct recognisable non-financial assets to identified specifications be constructed to be controlled by the Shire are recognised as a liability until such time as the Shire satisfies its obligations under the agreement.

#### **Summary of Report:**

Council is to consider the endorsement of proposed amendments to the Risk Management Framework following the Regulation 17 review.

#### **Description of Proposal:**

At their meeting held on Wednesday 7<sup>th</sup> February 2024, the Audit and Risk Committee considered the endorsement of proposed amendments to the Risk Management Framework following the Regulation 17 review.

The Risk Management Framework is fundamental and essential to managing risk as part of governance and to how the organisation is managed at all levels and will contribute to continuous improvement of management systems.

The Committee has recommended that Council endorse the Risk Management Framework.

#### **Background:**

Under Section 6.10 of the Local Government Act 1995 and Regulation 5(2) (c) of the Local Government (Financial Management) Regulations 1996 the Chief Executive Officer is to review the appropriateness and effectiveness of a local government's systems and procedures in relation to risk management, internal control and legislative compliance, and report the results of the review to the Audit (and Risk) Committee. As part of this review it has been identified that some minor changes are required to Attachment 14.02.24.05A Risk Management Framework. The relevant changes are identified in red text to reflect the changes.

The review identified a reference to the former standard AS/NZS ISO 31000:2009 in the framework, instead of the more recent standard AS/NZS ISO 31000:2018.

### **Consultation:**

Consultation has occurred between Chief Executive Officer and Manager Corporate & Community.

### **Statutory Environment:**

Local Government Act 1995 S6.14 Local Government (Financial Management) Regulations 1996 AS/NZS 4360: 2004 Risk Management Local Government Audit Regulations – 17

#### **Relevant Plans and Policy:**

Council "2.8 Risk Management" is relevant to this report.

#### **Financial Implications:**

There are no known direct financial implications to the 2023/24 budget applicable to this framework.

#### **Risk Assessment:**

On assessment against the Risk Matrix table below, the risk in relation to the amended policy and framework is assesses as "Low".

| Consequence<br>Likelihood | Insignificant | Minor  | Moderate | Major  | Extreme |
|---------------------------|---------------|--------|----------|--------|---------|
| Almost Certain            | Medium        | High   | High     | Severe | Severe  |
| Likely                    | Low           | Medium | High     | High   | Severe  |
| Possible                  | Low           | Medium | Medium   | High   | High    |
| Unlikely                  | Low           | Low    | Medium   | Medium | High    |
| Rare                      | Low           | Low    | Low      | Low    | Medium  |

| Risk Rating | Action  |
|-------------|---|
| LOW         | Monitor for continuous improvement.   |
| MEDIUM      | Comply with risk reduction measures to keep risk as low as reasonably practical.                      |
| HIGH        | Review risk reduction and take additional measures to ensure risk is as low as reasonably achievable. |
| SEVERE      | Unacceptable. Risk reduction measures must be implemented before proceeding.                          |

#### **Community & Strategic Objectives:**

This item relates to delivery of core business and services detailed in the Shire of Brookton Strategic Community Plan – June 2032, duly appended to the BROOKTON Corporate Business Plan July 2022 to June 2032.

#### Comment

The Risk Management Framework is fundamental and essential to managing risk as part of governance and to how the organisation is managed at all levels and will contribute to continuous improvement of management systems.

#### Purpose:

The Shire of Brookton's ("the Shire") Risk Management Policy documents the commitment and objectives regarding managing uncertainty that may impact the Shire's strategies, goals or objectives.

#### Policy:

It is the Shire's Policy to achieve best practice aligned with AS/NZS ISO 31000:2018 Risk management in the management of all risks that may affect the Shire, its customers, people, assets, functions, objectives, operations or members of the public.

Risk Management will form part of the strategic, operational, project and line management responsibilities and where possible, be incorporated within the Shire's Integrated Planning Framework.

The Shire's Senior Management Group will implement and communicate the Risk Management policy, objectives and procedures, as well as direct and monitor implementation, practice and performance.

Every employee, Elected Member, volunteer and contractor within the Shire is recognised as having a role in risk management.

Consultants may be retained at times to advise and assist in the risk management process or management of specific risks or categories of risk.

#### Definitions (from AS/NZS ISO 31000: 2018):

Risk means Effect of uncertainty on objectives.

Note 1: An effect is a deviation from the expected – positive or negative.

Note 2: Objectives can have different aspects (such as financial, health and safety

and environmental goals) and can apply at different levels (such as strategic,

organisation-wide, project, product, or process).

- Risk Management means Coordinated activities to direct and control an organisation with regard to risk.
- Risk Management Process means systematic application of management policies, procedures and practices
  to the activities of communicating, consulting, establishing the context, and identifying, analysing,
  evaluating, treating, monitoring and reviewing risk.

#### Objectives:

Optimise the achievement of the Shire's vision, experiences, strategies, goals and objectives.

5

- Provide transparent and formal oversight of the risk and control environment to enable effective decision making.
- Enhance risk versus return within our risk appetite.
- Embed appropriate and effective controls to mitigate risk.
- Achieve effective corporate governance and adherence to relevant statutory, regulatory and compliance obligations.
- Enhance organisational resilience.
- Identify and provide for the continuity of critical operations.

#### Risk Appetite:

- The Shire defined its risk appetite through the development and endorsement of the Shire's Risk Assessment and Acceptance Criteria. The criteria are included within the Risk Management Procedures and are subject to ongoing review in conjunction with this policy.
- All organisational risks reported at a corporate level are to be assessed according to the Shire's Risk
  Assessment and Acceptance Criteria to allow consistency and informed decision making. For operational
  requirements such as projects or to satisfy external stakeholder requirements, alternative risk
  assessment criteria may be utilised, however these cannot exceed the organisation's appetite and are
  to be noted within the individual risk assessment and approved by the CEO.

#### Roles, Responsibilities & Accountabilities:

Council's role with assistance from the Audit and Risk Committee is to -

- Review and approve the Shire's Risk Management Policy and Risk Assessment and Acceptance Criteria.
- Liaise with Office of the Auditor General in its assessment and reporting on financial statements and performance standards annually.
- Establish and maintain an Audit and Risk Committee under provisions of the Local Government Act, 1995
  with the charter to oversee the identification of relevant risks and associated actions of mitigation across
  all finance and operational areas.

The CEO is responsible for the allocation of roles, responsibilities and accountabilities. These are documented in the Risk Management Procedures (Operational Document).

#### Monitor & Review:

The Shire will implement and integrate a monitor and review process to report on the achievement of the Risk Management Objectives, the management of individual risks and the ongoing identification of issues and trends.

This policy will be kept under review by the Shire's Senior Management Group and will be formally reviewed by Council biennially.

#### Introduction

All organisations have internal and external factors and influences that make it uncertain as to whether or not they will achieve their objectives. Fundamentally, this uncertainty on the organisations objectives is called risk.

Everything an organisation does involves some form of risk. Risk is managed by anticipating, identifying, analysing and then deciding if it is an acceptable level of risk, or if actions can be taken to reduce it, to an acceptable level of risk.

This document presents the Shire's Risk Management Policy, processes and procedures which combine to form a tailored Risk Management Framework. This Framework outlines the Shires individual approach to incorporating these concepts at an organisational level.

Abiding by this framework will establish corporate governance, legislative and regulatory compliance balanced with the resources available whilst taking human and cultural factors into account.

The following flow chart (Figure 1) illustrates the relationships between the risk management principles, framework and process.

# Three Step Risk Governance Structure

#### First Step

Operational areas of the Shire are the first step in ensuring risks within their scope are:

- Identified
- Reported
- Assessed
- Managed
- Monitored

Each Business Unit is accountable for all activities within their scope and responsible for:

- Establishing and implementing appropriate processes and controls.
- · Completing required documentation, analysis and review.

#### Second Step

The Senior Management Group are the Second Step in the risk management process. In addition to individual Business Unit responsibilities the Senior Management Group provide independent oversight of risk matters as required, co-ordination of the Shire's risk reporting for the CEO, Audit Committee and Council.

#### Third Step

The Third Step consists of external and internal audits to assess the effectiveness of the First and Second Steps.

Internal Audits will be conducted on control processes and procedures under direction from the CEO. The Audit and Risk Committee may provide input on the direction and scope of these audits.

External Audits are conducted by the Office of the Auditor General (AOG) as required by legislation. Results are reported to the CEO and Audit and Risk Committee, as well as external parties where applicable.

8

#### Roles & Responsibilities

All staff need to be familiar with the application of the risk management process across their areas of responsibility.

#### Council

- Establish and maintain an Audit and Risk Committee.
- Facilitate resources, review and approve the Shire's Risk Management Policy and Framework.
- Liaise with Office of the Auditor General (AOG) to report on financial statements annually and the AOG is satisfied with measures being taken to mitigate risk.
- To review and consider any report or recommendation regarding the Risk Management Framework.

#### Audit Committee

- Oversee external and internal audit functions.
- Promote high level the transparency and accountability of the Shire's financial management systems and reporting.
- Manage the Shire's risk exposure.
- Drive a culture of continuous improvement, including adequacy of accounting, internal control, risk management, reporting and other financial management systems and practices.
- Liaise with the Office of the Auditor Genera (AOG) on all matters detailed in its Terms of Reference.
- Independently oversee all matters related to the conduct of external audits.

#### Chief Executive Officer (CEO)

- Ensure an effective risk management framework is implemented, applied and maintained across all Council functions.
- Allocate roles, responsibilities and accountabilities.
- Conduct internal audits as directed by the Audit and Risk Committee and as required by legislation.
- · Make adequate resources available for risk management planning and implementation.
- Ensure Managers have the necessary knowledge and skills to effectively fulfil their risk management responsibilities.
- Perform regular risk management planning, review and where necessary training to effect mitigation.

#### Senior Management Group

- Liaise with Council and the Audit and Risk Committee on Risk Management matters.
- Review and report on the Shire's Risk Management Framework.
- Encourage, embrace and enhance a risk management culture within the Shire.
- · Evaluate emerging risks, issues and topics with a pro-active approach to mitigation.
- Document risk management decisions and actions.
- · Own and manage Risk Assessments at an organisational level.
- Incorporate the following risk items into Senior Management Meeting agendas:
  - New or emerging risks.
  - Review existing risks.
  - Control adequacy.
  - Outstanding issues and actions.

9

#### Managers

- Direct, encourage and embrace risk management implementation and culture within work areas.
- Own, manage and report on risk issues, as required.
- Ensure emerging risks and related issues are addressed in a timely manner and suitable form.
- Establish and implement appropriate processes and controls with assistance of the PCO.
- Complete required documentation, analysis and review, including Risk Management Action Plans and Risk Acceptance forms.
- · Ensure the inclusion of risks in the Shire's Risk Register.
- Identify and monitor risk related Key Performance Indicators (KPI's).
- Identify and re-evaluate risks as a minimum of annually.

#### Employees (and Contractors)

- · Adhere to safe work practices and perform duties in a safe manner.
- Identify and report identified risk in areas of responsibility.
- Assist in development and effective implementation of risk management controls.
- Participate in and take any actions identified by the risk management process.

#### Risk Management Assessment Process

#### 1. Establishing Context

The first step in the risk management process is to define the context within which risks are to be assessed. This establishes a start point to assess the risk against the Shire's Strategic, Operational and Project related objectives.

There are two key types of risk context:

Internal context may include the organisation's culture, process, structure and strategy. Management involves looking at the ways in which an organisation carries out its day to day business, operational activities and cultural factors, which are often changeable by the management structure.

External context may include political, legal, regulatory and social environment. Management involves looking at the environment within which an organisation operates, such as legal framework and changes not usually controlled by the organisation itself.

Risk is not limited to one category or factor as exposure can be varied and come from a variety of sources. Grouping risks into categories can assist in defining context and responsibility. See Appendix 3 – Control Effectivity Table and Risk Category Definitions.

#### 2. Risk Assessment

All Business Units need to undertake Risk and Control Assessments on an ongoing basis. For Risk Assessment Template see Appendix 4.

It is important to consider the risks involved in pursuing or not pursuing an opportunity. All significant causes and consequences should be considered under this Framework.

Each Manager needs to ensure Risk Assessments are:

- · Reflective of and relevant to the Shire's actual risk environment.
- Reviewed annually as a minimum.

10

- Completed in standard format aligned to this Framework.
   Accordingly, each Manager is to perform the following:
  - a) Risk Identification means identifying sources of risk, areas of impact, events, opportunities, failure to innovate, their causes and potential consequences. The aim is to generate a list of risks based on those impacts or events.
  - b) Risk Analysis involves researching and understanding the risk and the influencing factors. It provides input to evaluation and decisions on the most appropriate action to be taken. The outcome of these assessment tools is called a Risk Rating.

The Risk Rating is determined by identifying the appropriate risk status on the Consequence and Likelihood Tables and applying these descriptor levels to the Risk Matrix. See Appendices 1 – Consequence Table and 2 – Likelihood Table, Risk Matrix and Risk Tolerance Table.

- Risk Evaluation based on the Risk Rating it can be determined:
  - Treatment such as controls is required.
  - Existing controls are adequate.
  - The priority for treatment requires implementation.
  - The risk is acceptable with the decision being documented and status being monitored and reviewed annually as a minimum.
  - The risk is beyond acceptance level after implementation of controls.

#### 3. Risk Treatment

Risk Treatment involves identifying one or more options to modify risks and determining how to implement options. Once implemented treatments can provide or modify efforts to control or mitigate the risk.

Treatment options or controls may include avoiding the risk entirely, accepting the risk to pursue an opportunity, removing the source of risk, changing the likelihood of occurrence, altering the consequence level, sharing the risk, retaining the risk by an informed decision and documenting the risk tolerance.

#### 4. Risk Acceptance

Reasonable efforts should always be taken to reduce the risk. A lack of budgeted funds is not, in itself, sufficient justification to accept a risk.

The Shire will tolerate a certain "acceptance" level of risk. Risks rated low or moderate should be monitored in line with the relevant Business Unit processes and systems. See Appendix 2 – Likelihood Table, Risk Matrix and Risk Acceptance Table.

Risk Acceptance is a management decision to be made within authority levels. A Risk Acceptance Declaration must be made in writing and signed by the appropriate Manager on the bottom of the completed Risk Assessment form.

#### 5. Communication and Consultation

Throughout the risk management process stakeholders should be identified, consulted and involved or informed of outcomes from the risk management process, where necessary.

11

Risk Management awareness and training will be provided to staff as part of the Occupational Safety and Health program, and included in new employee inductions.

#### 6. Monitoring and Review

#### Risk Register

The CEO will maintain the Shire's Risk Register. As risks are identified they are to be logged on the register as are the actions taken to respond to identified risks.

#### Key Performance Indicators

Key Performance Indicator's (KPI's) are a measurable value which demonstrates how effectively core business objectives are being met. KPIs are not just arbitrary numbers, they express something strategic and measurable about what the organisation is trying to do, in this case monitoring trends in risk and validating treatments and controls.

When identifying KPI's the main points to ensure are that:

- Risk descriptions and casual factors are fully understood.
- The indicator is directly relevant to the risk or control.
- Predictive indicators are adopted wherever possible.
- Adequate coverage of monitoring risks and controls is provided.
- Quality data is received, documented, and used.

The trend of indicators is specifically used as an input to the Risk Assessment Template – Appendix 4.

Trend tolerances are set in accordance with the Shire's Risk Appetite. They may be set and agreed over three levels:

- Green within appetite, no action required.
- Amber indicator must be closely monitored, relevant controls set and implemented to bring the measure back within the green tolerance level.
- Red beyond risk appetite. Indicator must be escalated to the CEO and Senior Management Group where appropriate actions are to be set and implemented to bring the measure back within acceptable appetite.

An example of a risk management KPI is to complete 'Take 5' assessments. These brief written assessments are designed to make the person undertaking them stop what they are doing, analyse the scene, take any available actions to mitigate the associated risks and document the circumstances before starting work.

Completed Take 5's can be counted and used as a KPI that these assessments are being carried out, hazards are being identified, addressed and reported. The resulting data can be captured and used to monitor the actual work environment.

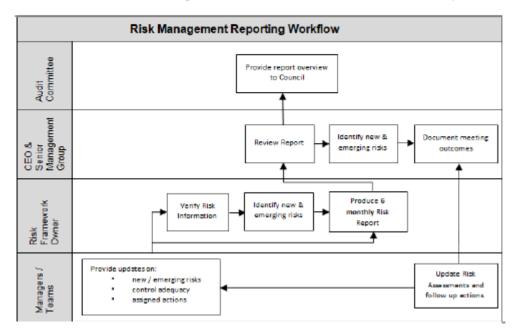

#### Reporting

In addition to monitoring the performance of risk and hazard identification, reporting procedures and responsibilities, it is important to monitor the broader effectiveness of the framework to ensure it is

12

continually being improved, creating value and effective in mitigating risk for the organisation. If the Framework is not fit for purpose it needs to be reported, addressed by the Senior Management Group and reviewed by the Audit and Risk Committee.

Individual documentation review anniversaries have been identified throughout the framework and should be included on the Risk Register and individual Risk Assessments and Risk Acceptance forms.

# **Summary of Report:**

Council is to consider the Shire of Brookton's Regulation 17 Review November 2023.

# **Description of Proposal:**

At their meeting held on Wednesday 7th February 2024, the Audit and Risk Committee recommended that Council adopt the Regulation 17 Review conducted in November 2023.

The last Regulation 17 Review was undertaken in 2021.

The report attached, summarises the regulation 17 review findings and management's responses.

Overall the following results were obtained:

| Significant Risk  | Moderate Risk  | Minor Risk                         |
|---|--|------------------------------------|
| Unacceptable. Risk reduction measures must be implemented before proceeding | comply with risk<br>reduction measures to<br>keep risk as low as<br>reasonably practical | Monitor for continuous improvement |
| 0   | 4  | 1                                  |

#### **Background:**

The objective of a Regulation 17 Review is to examine the appropriateness and effectiveness of the Shire of Brookton's systems and procedures in relation to risk management, internal controls, and legislative compliance on behalf of the Chief Executive Officer (CEO) as required by Local Government (Financial Management) Regulation 5(2)(c).

# **Consultation:**

Chief Executive Officer Senior Finance Officer AMD Chartered Accountants

# **Statutory Environment:**

Local Government (Financial Management) Regulations 1996 Division 5 CEO's duties as to financial management Section (2) The CEO is to:

(c) undertake reviews of the appropriateness and effectiveness of the financial management systems and procedures of the local government regularly (and not less than once in every 3 financial years) and report to the local government the results of those reviews.

# **Relevant Plans and Policy:**

The recommendation is relevant to 2.8 Risk Management.

# **Financial Implications:**

There are no financial implications associated with the officer recommendation.

#### **Risk Assessment:**

The risk is assessed as "Low". Failure to monitor the Shire's ongoing internal controls and risks would impact the organisations obligations to achieve legislative compliance.

#### Inherent limitations

Due to the inherent limitations of any internal control structure, it is possible that fraud, error or non-compliance with laws and regulations may occur and not be detected. Further, the internal control structure, within which the control procedures that have been subject to review, has not been reviewed in its entirety and, therefore, no opinion or view is expressed as to its effectiveness of the greater internal control structure. This review is not designed to detect all weaknesses in control procedures as it is not performed continuously throughout the period and the tests performed on the control procedures are on a sample basis. Any projection of the evaluation of control procedures to future periods is subject to the risk that the procedures may become inadequate because of changes in conditions, or that the degree of compliance with them may deteriorate.

We believe that the statements made in this report are accurate, but no warranty of completeness, accuracy or reliability is given in relation to the statements and representations made by, and the information and documentation provided by, the Shire of Brookton management and personnel. We have indicated within this report the sources of the information provided. We have not sought to independently verify those sources unless otherwise noted with the report. We are under no obligation in any circumstance to update this report, in either oral or written form, for events occurring after the report has been issued in final form unless specifically agreed with the Shire of Brookton. The review findings expressed in this report have been formed on the above basis.

#### Third party reliance

This report was prepared solely for the purpose set out in this report and for the internal use of the management of the Shire of Brookton. This report is solely for the purpose set out in the "Scope and Approach" of this report and for Shire of Brookton's information and is not to be used for any other purpose or distributed to any other party without AMD's prior written consent. This review report has been prepared at the request of the Shire of Brookton's Chief Executive Officer or its delegate in connection with our engagement to enform the review as detailed in the 2023 Regulation 17 Review Proposal. Other than our responsibility to the Council and management of the Shire of Brookton, neither AMD nor any member or employee of AMD undertakes responsibility arising in any way from reliance placed by a third party.

# 1. Executive Summary

# 1.1. Background and Objectives

To undertake a review of the appropriateness and effectiveness of risk management, internal controls and legislative compliance of the Shire in accordance with the *Local Government (Audit) Regulations* 1996, Regulation 17 for the period ended 30 November 2023 (the "Review").

Our findings included within this report are based on the site work completed by us from 20 November to 22 November 2023, and subsequent communication. Findings are based on information provided and available to us during and subsequent to our visit.

#### 1.2. Summary of Findings

The procedures performed and our findings on each of the focus areas are detailed in the following sections of the report:

- Section 2 Risk management;
- Section 3 Internal controls; and
- Section 4 Legislative compliance.

Following the completion of our review and subject to the recommendations outlined within sections 2 to 4, we are pleased to report that in context of the Shire's overall internal control environment, policies, procedures and processes in place are appropriate, and have been operating effectively at the time of the review.

Findings reported by us are on an exceptions basis, and do not take into account the many focus areas tested during our review where policies, procedures and processes were deemed to be appropriate and in accordance with best practice.

The following tables provide a summary of the findings raised in this report:

|                                  | Significant Risk | Moderate Risk | Minor Risk |

# 2. Risk management

#### 2.1. Scope and approach

Our review examined the following areas:

- Whether the Local Government has an effective risk management system and that material operating risks to the Local Government are appropriately considered;
- Whether the Local Government has a current and effective Business Continuity Plan (including disaster recovery) which is tested from time to time;
- The internal processes for determining and managing material operating risks in accordance with the Local Government's identified tolerance for risk, particularly in the following areas:
  - Potential non-compliance with legislation, regulations and standards and local government's policies;
  - Important accounting judgements or estimates that prove to be wrong;
  - Litigation and claims;
  - Misconduct, fraud and theft; and
  - Significant business risks, recognising responsibility for general or specific risk areas, for example, environmental risk, occupational heal and safety, and how they are managed by the local government;
- Regular risk reports presented to the Audit and Risk Management Committee/Council, which
  identify key risks, the status and the effectiveness of the risk management systems, to ensure that
  identified risks are monitored and new risks are identified, mitigated and reported;
- Adequacy of the Local Government processes to manage insurable risks and ensured the adequacy
  of insurance cover, and if applicable, the level of self-insurance;
- Effectiveness of the Local Government's internal control system with management and the internal and external auditors;
- Whether management has controls in place for unusual types of transactions and/or any potential transactions that might carry more than an acceptable degree of risk;
- The Local Government's procurement framework with a focus on the probity and transparency of
  policies and procedures/processes and whether these are being applied;
- Audit and Risk Management Committee meeting practices ensuring periodically meeting with key management, internal and external auditors, and compliance staff, to understand and discuss any changes in the local government's control environment; and
- Ascertained whether fraud and misconduct risks have been identified, analysed, evaluated, have an
  appropriate treatment plan which has been implemented communicated, monitored and there is
  regular reporting and ongoing management of fraud and misconduct risks.

# 2.2. Detailed findings and recommendations

# 2.2.1. Risk Management Policies and Procedures Finding Rating: Moderate

While completing a review of the Shire's internal risk management policies and procedures, we noted:

#### (A) Further Enhancement Required

The following policies and/or procedures required further enhancements:

- Risk Management Framework –policy refers to the former AS/NZS 3100:2009 Risk Management – Principles and Guidelines on page 3;
- Public Interest Disclosure (PID) Procedure procedure does not currently allow for internal or external parties to report concerns anonymously. In addition, the procedure states the person holding the position of Deputy Chief Executive Officer (DCEO) is the designated PID officer, however the Shire of Brookton DCEO position is currently vacant;
- Occupational Safety and Health Policy was due for review in June 2023. The policy also contains an old ref to AS/NZS 4801;
- Local Recovery Plan plan requires updating, contacts in the Plan have not been updated
  and an outdated reference to AS/NZS Standard 4360:1999 Risk Management is quoted in
  the policy;
- Shire of Brookton Bushfire Risk Management Plan 2021 2026 refers to outdated AS/NZ ISO 31000:2009 Risk Management-Principles and Guidelines;
- · An audit of the Safety Plan has not been conducted;
- Employee Code of Conduct dated June 2021 does not have a next scheduled review date noted; and
- Use of Corporate Credit Cards unclear if fuel cards are included in the policy.

#### (B) No Policy or Procedure

No policies or procedures are in place in respect to:

- Fraud Management;
- Events Management;
- Specimen signature for officers with delegate authority; and
- Community surveys.

#### (C) Potential Out of Date Documents

The following policies, procedures and/or plans are potentially out of date and may require review:

| Document                      | Last Revision Date |
|-------------------------------|--------------------|
| Procurement Policy            | June 2023          |
| Use of Corporate Credit Cards | June 2023          |
| Document                      | Review Due Date    |
| Social Media Policy           | June 2023          |
| IT Security and Use Policy    | June 2023          |

Our review of policies and procedures was limited to those which were provided during our onsite visit.

Page 7 of 15

#### Implications/Risks

Lack of policies and/or procedures evidencing specific risks to the Shire.

In addition, outdated policies and procedures may not reflect the actual practices followed by Shire representatives.

#### Recommendation

#### We recommend:

- those policies and procedures highlighted at (A) above are further enhanced in accordance with our findings;
- policies and procedures be developed and implemented for those identified areas of risk highlighted at (B) above; and
- those potentially out of date policies and procedures identified at (C) above, be reviewed and
  updated accordingly.

#### Management Comment

A full review of the Policy Manual is scheduled after Council's extraordinary election in March 2024.

Further Enhancement (A) and No Policy or Procedure (B) will be reviewed. Council endorsement will be required for some policies and plans. Progress will be reviewed by the Audit and Risk Committee.

#### 2.2.2. Business Continuity Plan

Finding Rating: Moderate

Our review of the Shire of Brookton's Business Continuity Plan (Plan) identified:

- the Plan is dated October 2019 and has not been reviewed since this date. Furthermore the Plan contains outdated contacts; and
- the Plan has not been tested.

#### Implications/Risks

Where the Plan has not been reviewed, updated and tested, there is a risk of significant delays and business interruption in respect to the Shire's business should an unforeseen circumstance arise.

#### Recommendation

We recommend the Shire of Brookton Business Continuity Plan be reviewed and updated where required. In addition, the Business Continuity Plan should be tested to ensure the Plan is adequate in the event of an unforeseen circumstance occurring.

#### Management Comment

The recommendation is accepted. A review of the Business Continuity Plan and testing will be completed.

Responsible Officer: Manager Corporate and Community Completion Date: December 2024

#### 2.2.3. Tender, Contract and Lease Management Finding Rating: Moderate

Our review of tenders, contracts and leases identified the following:

- the tender register has not been published on the website as required;
- The Shire does not have a contract management framework outlining the consistent approach to be undertaken for all Shire contracts; and
- the lease register did not record insurance details of lessees.

#### Implications/Risks

- · Risk of non-compliant with the Local Government Regulations.
- The Shire is potentially exposed to risks due to contractor non-compliance with contract terms and conditions
- Potential for contract risks not being identified, assessed and appropriately managed throughout the contract.
- Risk that findings and results from a contract are not used to improve future contract
  processes conducted by the Shire.
- . The Shire is potentially exposed to risks if the lessees' insurance is not up to date.

#### Recommendation

We recommend:

- the tender register be published on the Shire's website;
- a contract management framework be developed incorporating policies and procedures relating to contract management;
- consideration be given to one employee being designated responsibility to oversee contract management;
- a detailed and centralised contracts register be maintained and updated as required;
- Current insurances for Shire contractors be obtained and a system be implemented whereby a notification is issued when contractor insurances are due to expire;
- · A contractor performance review system be designed and implemented;
- a formal procedure be implemented to monitor lessee compliance with the terms and conditions of the Shire's leased properties and the lease register be updated where necessary.

#### Management Comment

The recommendations are acknowledged and accepted. Recommendations will be prioritised and actioned.

#### 3. Internal controls

#### 3.1. Scope and approach

Our review examined the following areas:

- · Segregation of roles and functions, processing and authorisation controls;
- · Delegations of authority (completeness and adherence);
- Documented policies and procedures;
- The effectiveness of policy and process reviews;
- Approval of documents, letters and financial records;
- Management internal reviews undertaken in respect to comparison of internal data with external sources of information;
- The adequacy of internal controls;
- Security controls in respect to physical access to assets and records;
- Security controls in respect to computer applications and information systems (general and application IT controls);
- Access limits placed on data files and systems;
- Whether the maintenance and review of financial control accounts and trial balances is regular and appropriate;
- Key management internal reviews undertaken in respect to comparison and analysis of financial results with budgeted amounts;
- Key management internal reviews undertaken in respect to the arithmetical accuracy and content of records;
- · Controls in respect to purchasing and payment of accounts;
- · Effectiveness of the training and development plan for staff and elected members; and
- · Reporting, review and approval of financial payment and reconciliations; and
- · Physical cash and inventory count records when compared to accounting records.

#### 3.2. Detailed findings and recommendations

Our review indicated the internal controls are in line with best practice and were found to be operating effectively.

Accordingly, we have no recommendations to raise in respect to the internal controls the Shire have in place.

Page 10 of 15

# 4. Legislative compliance

#### 4.1. Scope and approach

Our review examined the following areas:

- Internal monitoring of compliance with legislation and regulations;
- The Local Government's ability to stay informed regarding legislative changes;
- The Local Government's completion of the annual Compliance Audit Return and reporting the results
  of that review to the Audit and Risk Management Committee and Council;
- The monitoring of the Local Government's structured guidelines that detail the Local Government's processes for meeting statutory obligations (compliance frameworks);
- Communications between key management and the Audit and Risk Management Committee to
  ensure the Audit and Risk Management Committee is informed in respect to the effectiveness of the
  Local Government's compliance and recommendations for changes as required;
- The Local Government's procedures in respect to receiving, retaining and handling complaints, including confidential and anonymous employee complaints;
- Key managements internal review processes in respect to the identification of adverse trends and management plans to address these;
- Management disclosures in financial reports of the effect of significant compliance issues (if any);
- The internal and / or external audit contracts include an assessment of compliance and ethics risks in the development of the audit plan and in the conduct of audit projects, and report compliance and ethical issues to the Audit and Risk Management Committee; and
- The Audit and Risk Management Committee's processes and procedures in respect to compliance with legislative and regulatory compliance ensuring no misuse of position through adequate disclosure of conflicts of interest.

## 4.2. Detailed findings and recommendations

#### 4.2.1. Audit and Risk Committee

Finding Rating: Moderate

We noted for the period under review, risk reports had not presented to the Audit and Risk Committee.

#### Implications/Risks

- · Risk of governance and oversight responsibilities not being met.
- · Risk of Local Government Act and Regulations not being regularly assessed.

#### Recommendation

We recommend risk reports be presented at each Audit and Risk Committee meeting providing an update on the status of identified risks.

#### Management Comment

The recommendation has been accepted. Procedures have been reviewed and updated to ensure risk reports completed are presented to the Audit and Risk Committee annually.

Responsible Officer: Manager Corporate and Community Completion Date: December 2023

Page 11 of 15

### 4.2.2. Internal Audit Finding Rating: Low

We note the Shire does not currently have a formal documented internal audit program in place.

#### Implications/Risks

Risk of non-compliance with Department of Local Government, Sports and Cultural Industries Guidelines recommended practices.

#### Recommendation

The Department of Local Government, Sports and Cultural Industries Guidelines recommend an internal function be established incorporating an internal audit program which is re-assessed annually.

Should the Shire consider that an internal audit function is not required, we suggest the Audit and Risk Committee formally document they have considered the best practice guideline and the reasons they feel it is not necessary.

#### Management Comment

Recommendation noted. An internal audit program will be discussed with the Executive Team and a recommendation provided to the Audit and Risk Committee.

Responsible Officer: Manager Corporate and Community Completion Date: December 2024

#### 5. Guidance on Risk Assessment

Risk is uncertainty about an outcome. It is the threat that an event, action or non-action could affect an organisation's ability to achieve its business objectives and execute its strategies successfully. Risk is an inherent component of all service activities and includes positive as well as negative impacts. As a result not pursuing an opportunity can also be risky. Risk types take many forms – business, economic, regulatory, investment, market, and social, just to name a few.

Risk management involves the identification, assessment, treatment and ongoing monitoring of the risks and controls impacting the organisation. The purpose of risk management is not to avoid or eliminate all risks. It is about making informed decisions regarding risks and having processes in place to effectively manage and respond to risks in pursuit of an organisation's objectives by maximising opportunities and minimising adverse effects.

Our risk guidelines are based on the Risk Management – Guidelines Standard AS / NZS ISO 31000-2018 and the Shire of Shire of Brookton's Risk Management Framework.

Our guidance to risk classification in completing our review is as follows:

#### Measure of Likelihood of Risk

Likelihood is the chance that the event may occur given knowledge of the organisation and its environment. The following table provides broad descriptions to support the likelihood rating:

#### Likelihood Table

| Rating         | Description  | Frequency                 |  |
|----------------|--|---------------------------|--|
| Almost Certain | Event may be expected to occur in most circumstances | > once per year           |  |
| Likely         | Event may probably occur in most circumstances       | At least once per year    |  |
| Possible       | Event should occur at some time                      | At least once in 3 years  |  |
| Unlikely       | Event could occur at some time                       | At least once in 10 years |  |
| Rare           | Event may only occur in exceptional circumstances    | < once in 15 years        |  |

# Measure of Consequence of Risk

Consequence is the severity of the impact that would result if the event were to occur. The following table provides broad descriptions to support the consequence rating:

| Consequence    | L-1-15        | 15     | Mark an | Main   | Extreme |  |
|----------------|---------------|--------|---------|--------|---------|--|
| Likelihood     | Insignificant | Minor  | Medium  | Major  | Extreme |  |

item

**Voting Requirements:** Simple Majority

Previous Report: N/A

# **Summary of Item:**

Council is to consider adopting the Shire of Brookton 2022/2023 Annual Report and setting the date to present that 2022/2023 Annual Report to a General Electors Meeting.

# **Description of Proposal:**

The draft 2022/2023 Annual Report provided under separate cover as Attachment 14.02.24.08A. The 2022/2023 Annual Report provides a summary of the Shire's performance in relation to finance and governance responsibilities for the 2022/2023 financial year.

The meeting of the Shire of Brookton's Audit and Risk Committee held on 07 February 2024 recommended to approve the 2022/2023 Annual Report, inclusive of the audited financial statements.

Based on the Auditor's opinion the Shire's annual financial statements complies with the *Local Government Act 1995* and the *Local Government (Financial Management) Regulations 1996* and:

- a) give a true and fair view of the Shire's financial position at 30 June 2023 and of its financial performance and its cash flows for the year ended on that date; and
- b) complies with the Australian Accounting Standards.

No matters were raised by the Auditors in either their Audit Report of the 2022/23 Financial Statements or in their 2023 Final Management Letter as presented in attachment 14.02.24.08B.

With Council adoption of the 2022/2023 Annual Report, staff will undertake local public notice of the availability of the Annual Report and the General Electors Meeting as determined by Council.

The Audit and Risk Committee has recommended holding the General Electors Meeting at 7.30pm on Thursday 21<sup>st</sup> March 2024 at the Brookton Memorial Hall, 25 White Street Brookton.

# **Background:**

The Office of the Auditor General's audit contractor, Nexia Australia Pty Ltd, conducted the audit of the Shire of Brookton's financial management functions.

Legislation requires the first draft of the annual financial statements to be provided to the Shire's auditors (OAG) prior to 30 September of each financial year. This is preceded by a request for all relevant information to be provided prior to the auditors attending onsite.

Nexia attended the Shire of Brookton onsite during 23-27 October 2023 with ongoing communication and follow up through to December 2023. The Auditor signed their Audit Report on 20 December 2023.

#### **Consultation:**

Office of the Auditor General Nexia Australia Pty Ltd

# **Statutory Environment:**

Local Government Act 1995

- 5.27. Electors' general meetings
- 1) A general meeting of the electors of a district is to be held once every financial year.
- 2) A general meeting is to be held on a day selected by the local government but not more than 56 days after the local government accepts the annual report for the previous financial year.
- 3) The matters to be discussed at general electors' meetings are to be those prescribed.

# 5.53 Annual reports

- 1) The local government is to prepare an annual report for each financial year.
- 2) The annual report is to contain
  - (a) a report from the mayor or president;
  - (b) a report from the CEO;
  - [(c), (d) deleted]
  - (e) an overview of the plan for the future of the district made in accordance with section 5.56, including major initiatives that are proposed to commence or to continue in the next financial year;
  - (f) the financial report for the financial year;
  - (g) such information as may be prescribed in relation to the payments made to employees;
  - (h) the auditor's report for the financial year;
  - (h(a)) a matter on which a report must be made under section 29(2) of the Disability Services Act 1993;
  - (h(b)) details of entries made under section 5.121 during the financial year in the register of complaints, including
    - (i) the number of complaints recorded in the register of complaints;
    - (ii) how the recorded complaints were dealt with; and
    - (iii) any other details that the regulations may require; and such other information as may be prescribed.

# 5.54 Acceptance of annual reports

- 1) Subject to subsection (2), the annual report for a financial year is to be accepted\* by the local government no later than 31 December after that financial year.
- \* Absolute majority required.
- If the auditor's report is not available in time for the annual report for a financial year to be accepted by 31 December after that financial year, the annual report is to be accepted by the local government no later than 2 months after the auditor's report becomes available.

# 5.55. Notice of annual reports

The CEO is to give local public notice of the availability of the annual report as soon as practicable after the report has been accepted by the local government.

# **Relevant Plans and Policy:**

There are no plan and policy implications arising from this report.

# **Financial Implications:**

There are no known financial implications upon either the Council's current budget or strategic resource plan.

#### **Risk Assessment:**

There is a compliance risk that should the Annual Report not be adopted within the timeframes outlined, Council may be in breach of the *Local Government Act, 1995* and applicable subsidiary legislation. Accordingly, the risk associated with this matter is assessed as 'Medium'.

# **Community & Strategic Objectives:**

This item relates to delivery of core business and services detailed in the Shire of Brookton Strategic Community Plan – June 2032, duly appended to the BROOKTON Corporate Business Plan July 2022 to June 2032.

# **Comment:**

The 2022/2023 Annual Report was completed in a relatively timely fashion, this is a commendable effort from the Shire of Brookton finance staff.

PERIOD OF AUDIT: YEAR ENDED 30 JUNE 2023 FINDINGS IDENTIFIED DURING THE FINAL AUDIT

| INDEX OF FINDINGS | RATING      |          |       |
|-------------------|-------------|----------|-------|
|                   | Significant | Moderate | Minor |
| NO FINDINGS       |             |          |       |

# KEY TO RATINGS

The Ratings in this management letter are based on the audit team's assessment of risks and concerns with respect to the probability and/or consequence of adverse outcomes if action is not taken. We give consideration to these potential adverse outcomes in the context of both quantitative impact (for example financial loss) and qualitative impact (for example inefficiency, non-compliance, poor service to the public or loss of public confidence).

#### Significant -

Those findings where there is potentially a significant risk to the entity should the finding not be addressed by the entity promptly. A significant rating may be reported as a matter of non-compliance in the audit report in the current year, or in a subsequent reporting period if not addressed. However, even if the issue is not likely to impact the audit report, it should be addressed promptly.

#### Moderate

 Those findings which are of sufficient concern to warrant action being taken by the entity as soon as practicable.

#### Minor

Those findings that are not of primary concern but still warrant action being taken.

# **Background:**

The Compliance Audit Return (CAR) is a Department of Local Government, Sport, and Cultural Industries (DLGSCI) prepared check list of some of the statutory requirements for Local Governments were required to comply with in the twelve months to 31st December 2023.

Regulation 14 of the Local Government (Audit) Regulations requires that a local government's Audit Committee reviews the CAR and reports the results of that review to the Council prior to adoption by Council and submission to the DLGSCI.

The Statutory Compliance Audit Return is to be:

- 1. presented by staff to a meeting of the Audit & Risk Committee;
- 2. recommended for adoption by Council by decision of the Audit & Risk Committee;
- 3. presented to a meeting of Council;
- 4. adopted by the Council; and
- 5. the adoption recorded in the minutes of the meeting at which it is adopted.

After the Compliance Audit Return has been presented to Council, a certified copy of the return, along with the relevant section of the minutes and any additional information explaining or qualifying the compliance audit is to be submitted to the Executive Director, Department of Local Government, Sport, and Cultural Industries, by 31st March 2024.

The 2023 CAR focuses on the following areas of compliance:

- 1. Commercial Enterprises by Local Governments
- 2. Delegation of Power/Duty
- 3. Disclosure of Interest
- 4. Disposal of Property
- 5. Elections
- 6. Finance
- 7. Integrated Planning and Reporting
- 8. Local Government Employees
- 9. Official Conduct
- 10. Optional questions
- 11. Tenders for Providing Goods and Services

# **Consultation:**

Consultation has been undertaken with relevant officers in regard to compliance requirements being met, or not.

# **Statutory Environment:**

The Council is obliged to complete and submit the Brookton Compliance Audit Return 2023 in accordance with the Local Government Act 1995 and the Local Government (Audit) Regulations 1996.

- Section 7.13(1)(i) of the Local Government Act, 1995 requires local governments to carry out, in the prescribed manner and in a form approved by the Minister an audit of compliance with statutory requirements prescribed in the Local Government (Audit) Regulations, 1996.
- Regulation 13 of the Local Government (Audit) Regulations, 1996 details the statutory requirements that must be addressed within the compliance audit.
- Regulation 14 of the Local Government (Audit) Regulations, 1996 specifies the requirement to undertake a compliance audit for the annual period 1 January to 31 December and the process by which the audit return is to be considered by Council.
- Regulation 15 of the Local Government (Audit) Regulations 1996 details the actions

to be taken to certify the audit return and to submit the return by 31 March following the period to which the return relates.

# **Relevant Plans and Policy:**

Nil at this time

# **Financial Implications:**

There are no direct financial implications at this time.

# **Risk Assessment:**

There is a risk that Council will be in breach of its statutory obligations should it not complete and adopt the Brookton - Compliance Audit Return 2023. Accordingly, it has been assessed that the level of risk is high.

# **Community & Strategic Objectives:**

This item relates to delivery of core business and services detailed in the Shire of Brookton Strategic Community Plan – June 2032, duly appended to the BROOKTON Corporate Business Plan July 2022 to June 2032.

## **Comment:**

In addition to the statutory compliance, the CAR is an internal control monitoring process and as such is a useful tool for to report the Audit & Risk Committee.

The areas of non-compliance are planned to be addressed by the Chief Executive Officer.

# **AUDIT & RISK COMMITTEE'S RECOMMENDATION**

# **Background:**

In accordance with the *Local Government (Financial Management) Regulations 1996*, regulation 33A, Council is required to carry out a review of its annual budget for that year by the last day of February. This requirement recognises the dynamic nature of local government activities and the need to continually reassess projects competing for limited funds, to ensure that community benefit from available funding is maximised.

The budget review has been prepared to include information required by the *Local Government Act 1995, Local Government (Financial Management) Regulations 1996* and Australian Accounting Standards.

#### **Consultation:**

Consultation was undertaken with the Chief Executive Officer, Manager Infrastructure Works Projects Manager and Senior Finance Officer.

# **Statutory Environment:**

Regulation 33A of the Local Government (Financial Management) Regulations 1996 requires:

- (1) Between 1 January and the last day of February in each year a local government is to carry out a review of its annual budget for that year.
- (2A) The review of an annual budget for a financial year must
  - a) Consideration the local government's financial performance in the period beginning on 1 July and ending no earlier than 31 December in that financial year; and
  - b) Consider the local government's financial position as at the date of the review; and
  - c) Review the outcomes for the end of that financial year that are forecast in the budget.
- (2) Within 30 days after a review of the annual budget of a local government is carried out it is to be submitted to the council.
- (3) A Council is to consider a review submitted to it and is to determine\* whether or not to adopt the review, any parts of the review or any recommendations made in the review.
- \*Absolute majority required.
- (4) Within 30 days after a Council has made a determination, a copy of the review and determination is to be provided to the Department.

Relevant Plans and Policy: Nil.

# **Financial Implications:**

Specific financial implications are as outlined in the background section of this report.

#### **Risk Assessment:**

The risk in relation to this matter is assessed as 'Low'. The Budget Review is required to be submitted to Council within 30 days after the review date of 31 January 2024 and a copy of the review and determination lodged with the Department of Local Government, Sport and Cultural Industries by 30 March 2024.

| Rare                      | Low           | Low    | Low      | Low    | Medium  |

| Risk Rating | Action  |
|-------------|---|
| LOW         | Monitor for continuous improvement.   |
| MEDIUM      | Comply with risk reduction measures to keep risk as low as reasonably practical.                      |
| HIGH        | Review risk reduction and take additional measures to ensure risk is as low as reasonably achievable. |
| SEVERE      | Unacceptable. Risk reduction measures must be implemented before proceeding.                          |

# **Community & Strategic Objectives:**

This item relates to delivery of core business and services detailed in the Shire of Brookton Strategic Community Plan – June 2032, duly appended to the BROOKTON Corporate Business Plan July 2022 to June 2032.

#### **Comment:**

The Shire commenced the financial year with a balanced budget showing a surplus/deficiency (closing fund) of \$0. In reviewing the 2023/24 Budget and incorporating the amendments and the audited surplus for the 2022/23 financial year, the changes made to the various accounts have resulted in a nil effect on the closing fund.

#### OFFICER'S RECOMMENDATION

That Council:

#### 1. BASIS OF PREPARATION

This budget review has been prepared in accordance with the Local Government Act 1995 and accompanying regulations.

#### Local Government Act 1995 requirements

Section 6.4(2) of the Local Government Act 1995 read with the Local Government (Financial Management) Regulations 1996, prescribe that the budget review be prepared in accordance with the Local Government Act 1995 and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards. The Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board were applied where no inconsistencies exist.

The Local Government (Financial Management) Regulations 1996 specify that vested land is a right-of-use asset to be measured at cost, and is considered a zero cost concessionary lease. All right-of-use assets under zero cost concessionary leases are measured at zero cost rather than at fair value, except for vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 18 Leases which would have required the Shire of Brookton to measure any vested improvements at zero cost.

Local Government (Financial Management) Regulations 1996, regulation 33A prescribes contents of the budget review.

Accounting policies which have been adopted in the preparation of this budget review have been consistently applied unless stated otherwise. Except for cash flow and statement of financial activity, the budget review has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

#### THE LOCAL GOVERNMENT REPORTING ENTITY

All funds through which the Shire of Brookton controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

All monies held in the Trust Fund are excluded from the financial statements.

#### Judgements and estimates

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources.

Actual results may differ from these estimates.

The balances, transactions and disclosures impacted by accounting estimates are as follows:

- · estimated fair value of certain financial assets
- · impairment of financial assets
- estimation of fair values of land and buildings, infrastructure and investment property
- · estimation uncertainties made in relation to lease accounting
- · estimation of fair values of provisions

#### SIGNIFICANT ACCOUNTING POLICES

Significant accounting policies utilised in the preparation of these statements are as described within the 2023-24 Annual Budget. Please refer to the adopted budget document for details of these policies.

#### 3 COMMENTS/NOTES - NET CURRENT FUNDING POSITION (CONTINUED)

#### SIGNIFICANT ACCOUNTING POLICIES

#### CASH AND CASH EQUIVALENTS

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks, other short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts.

Bank overdrafts are shown as short term borrowings in current liabilities.

#### FINANCIAL ASSETS AT AMORTISED COST

The Shire of Brookton classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

#### TRADE AND OTHER RECEIVABLES

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for grants, contributions, reimbursements, and goods sold and services performed in the ordinary course of business.

Trade and other receivables are recognised initially at the amount of consideration that is unconditional, unless they contain significant financing components, when they are recognised at fair value.

Trade receivables are held with the objective to collect the contractual cashflows and therefore measures them subsequently at amortised cost using the effective interest rate method.

Due to the short term nature of current receivables, their carrying amount is considered to be the same as their fair value. Non-current receivables are indexed to inflation, any difference between the face value and fair value is considered immaterial.

The Shire of Brookton applies the AASB 9 simplified approach to measuring expected credit losses using a lifetime expected loss allowance for all trade receivables. To measure the expected credit losses, rates receivable are separated from other trade receivables due to the difference in payment terms and security for rates receivable.

#### INVENTORIES

#### General

Inventories are measured at the lower of cost and net realisable value. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

#### CONTRACT ASSETS

Contract assets primarily relate to the Shire of Brookton's right to . consideration for work completed but not billed at the end of the period.

#### CONTRACT LIABILITIES

Contract liabilities represent the Shire of Brookton's obligation to transfer goods or services to a customer for which the Shire of Brookton has received consideration from the customer.

Contract liabilities represent obligations which are not yet satisfied. Contract liabilities are recognised as revenue when the performance obligations in the contract are satisfied.

#### PROVISIONS

Provisions are recognised when the Shire of Brookton has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

#### CURRENT AND NON-CURRENT CLASSIFICATION

An asset or liability is classified as current if it is expected to be settled within the next 12 months, beling the Shire of Brookton's operational cycle. In the case of liabilities where the Shire of Brookton does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current or non-current based on the Shire of Brookton's intentions to release for sale.

#### TRADE AND OTHER PAYABLES

Trade and other payables represent liabilities for goods and services provided to the Shire of Brookton prior to the end of the financial year that are unpaid and arise when the Shire of Brookton becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition. The carrying amounts of trade and other payables are considered to be the same as their fair values, due to their short-term nature.

#### PREPAID RATES

Prepaid rates are, until the taxable event has occurred (start of the next financial year), refundable at the request of the ratepayer. Rates received in advance are initially recognised as a financial liability. When the taxable event occurs, the financial liability is extinguished and the Shire of Brookton recognises revenue for the prepaid rates that have not been refunded.

#### **EMPLOYEE BENEFITS**

#### Short-Term Employee Benefits

Provision is made for the Shire of Brookton's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire of Brookton's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the net current funding position. Shire of Brookton's current obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the net current funding position.

# Other long-term employee benefits

Long-term employee benefits provisions are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur.

The Shire of Brookton's obligations for long-term employee benefits where the Shire of Brookton does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, are presented as current provisions in the net current funding position.

#### **Summary of Report:**

Council is to consider the reduction of the adopted charge for the 50mm commercial standpipe water usage for Mayenclan Contracting.

# **Description of Proposal:**

The Shires has received correspondence from Mayenclan Contracting dated 03 December 2023, querying the price for the potable water and requesting they be charged \$5.60 per KL.

Mayenclan Contracting advised that the water purchased was from the 20mm standpipe identified as a Community Standpipe.

To honour the fee of \$5.60 per KL, Council is asked to approve a reduction totalling \$531.57 including GST for all water usage to date for Mayenclan Contracting. Any further usage by the contractor will be charges as per the 2023/24 adopted Fees and Charges.

#### Background:

Further consultation with Water Corporation, has identified that the 50mm Commercial Standpipe has two hose connections (one large and small) located on the electronic swipe car system. The two hose connections provided are to ensure that there is a compatible hose connection for the water purchaser.

The 20mm Community Standpipe doesn't have an overhead standpipe electronic system and therefore water usage from the 20mm is unable to be measured or charged.

As staff were not previously aware of the configuration of the 20mm and 50mm standpipe connections the current charge of \$15.00 per KL was invoiced.

#### **Consultation:**

Internal consultation has occurred at the February 2024 Corporate Briefing Forum with Elected Members.

#### **Statutory Environment:**

Local Government Act 1995

- 6.12. Power to defer, grant discounts, waive or write off debts
- (1) Subject to subsection (2) and any other written law, a local government may
  - (b) waive or grant concessions in relation to any amount of money; or
  - (c) write off any amount of money, which is owed to the local government.
- (2) Subsection (1)(a) and (b) do not apply to an amount of money owing in respect of rates and service charges.
- (3) The grant of a concession under subsection (1)(b) may be subject to any conditions determined by the local government.
- (4) Regulations may prescribe circumstances in which a local government is not to exercise a power under subsection (1) or regulate the exercise of that power.

Previous Report: N/A

#### **Summary of Report:**

Council is to consider an amended policy 1.18 Appointing Acting or Temporary CEO.

#### **Description of Proposal:**

An amended draft policy 1.18 Appointing Acting or Temporary CEO is included at Attachment 15.02.24.01A with additions included in a bold red font and deletions included in a red, strikethrough font.

The amended policy 1.18 Appointing Acting or Temporary CEO provides:

- Increases remuneration for the Acting CEO from 85% of the CEO's cash salary to 100%.
   This does not represent adequate compensation for the additional workload added to the duties of the MCC role. Currently the increase in salary for the Acting CEO practically equates to an additional \$1.50 per hour. Council's budgeted expense on 5 weeks per annum of an Acting CEO would increase from \$297 to \$2,359;
- Clarifies terminology and roles of the Shire President and Manager Corporate and Community (MCC) in the event of unplanned leave by the CEO; and
- Removes redundant phrases and simplifies the policy.

# **Background:**

Council has provided delegated authority to the CEO to appoint a Shire of Brookton employee as Acting CEO in the event of a temporary absence of the CEO such as the provisions relating to annual or other leave included in the CEO's employment contract. This authority has been executed for some time without incident.

Council policy 1.18 Appointing Acting or Temporary CEO is the tool that allows Council to meet the requirements of the Local Government Act to:

- 1. be satisfied that any person holding the position of CEO, even in a temporary or acting capacity, is suitably qualified for the position;
- 2. be satisfied with the provisions of the employment contract of the CEO, in a temporary or acting capacity; and
- 3. have a Policy for temporary employment or appointment of CEO

Council policy 1.18 Appointing Acting or Temporary CEO provides direction on the efficient management of the CEO position by Council. This policy:

- highlights the differences between an Acting and Temporary CEO. An Acting CEO is to be an appointment in the absence of an employed permanent CEO with a temporary CEO to be appointed in when there is not employed permanent CEO (Definitions):
- in accordance with section 5.36(2)(a) of the Local Government Act, makes the determination by Council that the Manager Corporate and Community is considered suitably qualified to perform the role of Acting CEO (Point 1b);
- that a person acting in the position of Manager Corporate and Community is not suitably qualified and therefor unable to be appointed to the role of Acting CEO (Point 1c);
- allows the CEO to appoint an Acting CEO for a period of up to 3 weeks (Point 2a);
- the CEO is also required to appoint an Acting CEO for periods greater than 48 hours (Point 2b);
- in the event that the CEO is unable to appoint an Acting CEO, the Manager Corporate and Community and Shire President will coordinate the calling and conduct of a Special Meeting of Council to facilitate an Acting CEO appointment (Point 1d);
- requires Council to appoint an Acting CEO for periods greater than 3 weeks. Council can only appoint an Acting CEO for up to 12 months (Point 3);
- in the event of a requirement for a Temporary CEO, Council will resolve at that time the appointment (Point 4);
- unless Council otherwise resolves, an employee appointed as Acting CEO shall be remunerated at 85% of the cash component only of the substantive CEO's total reward package (Point 5a); and
- Council retains the right to terminate or change, by resolution, any Acting or Temporary CEO appointment (Point 5b).

#### Consultation: Nil

#### **Statutory Environment:**

The *Local Government Act 1995* has requirements around the employment of a CEO and Acting CEO is included in:

5.36. Local government employees

5.39. Contracts for CEO and senior employees

5.41. Functions of CEO

#### **Relevant Plans and Policy:**

Council policy 1.18 Appointing Acting or Temporary CEO is relevant to this report.

#### **Financial Implications:**

The policy includes an increase of salary to the Acting CEO to the cash component of the substantive CEOs salary package. Should the amended policy be adopted, Council could expect to have an increase of \$2,100 per annum in wage expenses.

#### **Risk Assessment:**

There is only minor risk of negative consequences of this matter, with an unlikely likelihood of occurring.

#### **Objective:**

To establish policy, in accordance with Section 5.39C of the *Local Government Act 1995* ('the Act'), that details the Shire of Brookton's processes for appointing an Acting or Temporary Chief Executive Officer (CEO) for periods of less than 12 months of planned or unplanned leave or an interim vacancy in the substantive office.

#### **Definitions:**

**Acting CEO** means a person employed or appointed to fulfil the statutory position of CEO during a period where the substantive CEO remains employed, but is on planned or unplanned leave.

**Temporary CEO** means a person employed or appointed to fulfil the statutory position of CEO for the period of time between the end of the substantive CEO's employment and the appointment and commencement of a newly appointed substantive CEO.

**Leave** means annual leave, sick leave, long service or personal leave and any absence from work associated with a Workers Compensation claim.

#### **Policy Statements:**

#### 1. Acting and Temporary CEO Requirements and Qualifications:

- (a) When the CEO is on planned or unplanned leave, or the CEO's employment with the Local Government has ended, an Acting or Temporary CEO is to be appointed in accordance with this Policy to fulfil the functions of CEO as detailed in Section 5.41 of the *Local Government Act 1995*, and other duties as set out in the Act and associated Regulations.
- (b) Through this policy and in accordance with section 5.36(2)(a) of the Act, the Council determines that employees appointed to the substantive position(s) of Manager Corporate and Community (MCC), is considered suitably qualified to perform the role of Acting or Temporary CEO.
- (c) A person appointed to act in the position of MCC is not included in the determination set out in Clause 1(b).

#### 2. Appointment of Acting CEO – Planned and unplanned leave for periods up to 3 weeks

(a) The CEO is authorised to appoint the Manager Corporate and Community MCC in writing as Acting CEO, where the CEO is on planned or unplanned leave for periods not exceeding 6 weeks, subject to the CEO's consideration of the Manager Corporate and

- Community's MCC's performance, availability, operational requirements and where appropriate, the equitable access to the professional development opportunity.
- (b) The CEO must appoint an Acting CEO for any leave periods greater than 72 48 hours and less than 3 weeks.
- (c) The CEO is to immediately advise all Council Elected Members when and for what period of time the Manager Corporate and Community MCC is appointed as Acting CEO.
- (d) If the CEO is unavailable or unable to make the decision to appoint an Acting CEO in accordance with (b), then the Manager Infrastructure and Assets may be appointed as Acting CEO MCC will liaise with the Shire President to coordinate the calling and conduct of a Special Meeting of Council to facilitate an Acting CEO appointment.
- (e) Council may, by resolution, extend an Acting CEO period under subclause (b) beyond 3 weeks if the substantive CEO remains unavailable or unable to perform their functions and duties, or conversely appoint another external as the Acting CEO subject to 1.(b) being satisfied.

# 3. Appointment of Acting CEO for extended leave periods greater than 3 weeks but less than 12 months.

- (a) This clause applies to the following periods of extended leave:
  - i. Substantive CEO's Extended Planned Leave which may include accumulated annual leave, long service leave or personal leave; and
  - ii. Substantive CEO's Extended Unplanned Leave which may include any disruption to the substantive CEO's ability to continuously perform their functions and duties.
- (b) The Council will, by resolution, appoint an Acting CEO for periods greater than 3 weeks but less than 12 months, as follows:
  - Appoint one employee, or multiple employees for separate defined periods, as Acting CEO to ensure the CEO position is filled continuously for the period of extended leave; or

**Voting Requirements:** Simple Majority **Previous Report:** 21<sup>st</sup> September 2023

#### **Summary of Report:**

This report seeks approval of a minor review of the Shire of Brookton Organisational Structure that makes adjustment to existing position titles and alignment of duties and reporting responsibilities, particularly relating to the Infrastructure and Works Department.

#### **Description of Proposal:**

The proposed and revised Organisational Structure – February 2024 is included as Attachment 15.02.24.02A.

The revised Organisational Structure – February 2024 includes:

- the reinstatement of the Works Coordinator position. Council are currently completing an employment process and expect to make an appointment;
- the role of the Works Coordinator providing direction and support to the leading positions. This role will assist and support the Manger in implementing the works program which is a detrimental factor in the previous structure;
- A reduction in the number of staff in the Roads section in the Infrastructure and Works
  Directorate from eight to six. This number of staff included in the Organisation Chart
  of February 2023 at Attachment 15.02.24.0B was understated by one position. This
  section will be tasked in completing the larger road construction and maintenance
  projects;

In summary there is an addition of one Full Time Equivalent (FTE) in the Infrastructure and Works Directorate with the total Shire FTEs increasing to 29.7 staff.

# **Background:**

To enhance and maintain a contemporary approach to service delivery, the Organisational Structure of the Shire is consistently the subject of review.

Council last reviewed the Organisational Structure at their September 2024 Ordinary Meeting. A copy of the Organisational Structure – September 2023 is included at attachment 15.02.24.02B.

#### **Consultation:**

Internal consultation has occurred.

# **Statutory Environment:**

This report seeks to aligns to the Council Budget and more particularly the allocation of salaries and wages as part of this process under Section 6.2 (1) of the Local Government Act, 1995.

# **Relevant Plans and Policy:**

Nil at this time.

# **Financial Implications:**

Because staffing levels remain similar it is expected the revised Organisational Structure – February 2024 will not have a significant impact the Salary and Wages budget allocation for the current or next financial year's budget. All positions in the structure were included in the 2023/24 budget.

#### **Risk Assessment:**

There is an assessed 'medium' risk in endorsing the revised Organisational Structure which is only marginally different from the existing framework, and therefore does not present any significant concern.

#### **Summary of Report:**

Council is to consider reviewing a staff request to consider a process to allow a community group to dispose of obsolete Shire of Brookton equipment and the formal adoption of Living Values as an urgent matter.

#### **Description of Proposal: Nil**

#### **Background:**

Staff are attempting to have the Agenda prepared at least a week before each Council Meeting. In completing this schedule, business of an urgent nature will arise from time to time within the district, would be delayed by Council not considering the item.

Consultation: Nil

**Statutory Environment:** Nil

#### **Relevant Plans and Policy:**

Shire of Brookton Policy

- 1.17 STANDING ORDERS AND MEETING PROTOCOL LOCAL GOVERNMENT (Council Meetings)
- 5.4 New business of an urgent nature
- (1) In cases of extreme urgency or other special circumstances, matters may, on a motion by the Presiding Member that is carried by the meeting, be raised without notice and decided by the meeting.
- (2) In subclause (1), 'cases of extreme urgency or other special circumstances' means matters that have arisen after the preparation of the agenda that are considered by the Presiding Member to be of such importance and urgency that they are unable to be dealt with administratively by the Local Government and must be considered and dealt with by the Council before the next meeting.

Financial Implications: Nil

#### **Risk Assessment:**

Should the Council not support this item, there is a possible likelihood of reputational damage from considering this matter as a late item, rather than carrying the matter over to the March 2024 Ordinary Council Meeting.

Previous Report: N/A

#### **Summary of Report:**

Council is to consider conducting a process to select a community group to complete the disposal of obsolete materials with the community group to keep the proceeds of any sale.

#### **Description of Proposal:**

Staff have prepared a list of obsolete materials that no longer have any economic value to the Shire. Lists of the obsolete materials are included at Attachment 17.02.24.02A and Attachment 17.02.24.02B. There is every likelihood that additional materials will be located and added to these lists prior to any disposal.

Given the wide range of obsolete materials a process of disposal that meets with the delegated authority provided to the CEO, may involve a significant amount of staff resources to ensure that "the best value return is achieved".

#### The Officer's Recommendation is to:

- advertise locally for interest from a local community group or groups to undertake the sale of obsolete materials including those included in Attachment 17.02.24.02A and Attachment 17.02.24.02B. Staff believe that the upcoming Brookton Old Time Motor Show Mega Motor Swap Meet and Market to be held on Sunday 24<sup>th</sup> March 2024 would be an ideal place to complete such a sale;
- 2. have the Shire evaluate on any interest received from a local community group or groups on the basis of maximising the benefit to the community;
- delegate authority to the CEO to select and appoint a community group or groups to conduct a local, public sale of these obsolete materials. Staff are mindful that there is only two days between the March Ordinary Council Meeting and the Brookton Old Time Motor Show Mega Motor Swap Meet and Market and a quick decision is required to allow the community group to be organised. It is likely that Staff would liaise with the Shire President prior to making a decision; and
- 4. approve that any proceeds of the sale of these obsolete materials are to be kept by that community group or groups selected to complete the sale. This is appropriate given the work completed by the community group.

The Shire would also assist any community group in having any unsold items transferred to the Brookton Waste Disposal Site.

#### **Background:**

These obsolete materials are currently stored in the Memorial Hall and Shire Depot. The materials are seen as having some value, but not to the Shire of Brookton.

Without having some type of sale, the only alternative is to dispose of the materials at the Brookton Waste Disposal Site.

#### Consultation:

No consultation has occurred as yet. The Officer's Recommendation allows for future consultation if required.

#### **Statutory Environment:**

Council delegation 1.5 Disposal of Assets provides the CEO authority to dispose of Shire owned property to:

- 1. The highest bidder at public auction [s. 3.58(2)(a)].
- 2. The person who at public tender called by the local government makes what is considered (by the delegate) to be the most acceptable tender, whether or not it's the highest tender [s.358(2)(b)].
- 3. Property by private treaty only in accordance with section 3.58(3) and prior to disposal, to consider any submissions received following the giving of public notice [s. 3.58(3)]. Including the execution of all transfer and sale documents.
- 4. Heavy plant and vehicles included in the budget for disposition/trade.
- 5. Shire owned property by way of periodic, or fixed-term residential tenancy and leave agreements, and associated documents.

This delegation also includes the guidelines that:

- h) Where the market value of the property is determined as being less than \$20,000 [(F&G r30(3) excluded] disposal may be undertaken:
  - Without reference to Council for resolution; and
  - In any case, be undertaken to ensure that the best value return is achieved, however, where the property is determined as having a nil market value, then the disposal must ensure environmentally responsible disposal.
- i) This delegation allows for a surplus asset of less than \$300 to be gifted to a local community group of incorporated status, without the need to advertise the item.

#### Relevant Plans and Policy: Nil

#### **Financial Implications:**

Council could complete a sale process of obsolete items, but this would likely involve a significant amount of staff resourcing to manage the process.

Providing the materials to a community group to manage the sale, would reduce the financial return to Council but involve significant less staff resources.

#### **Risk Assessment:**

There is potential for minor damage to the Shire of Brookton's reputation from a community group disappointed in not being awarded the task to sell the obsolete material. The potential of this occurring is seen as possible.

**Voting Requirements:** Simple Majority

Previous Report: N/A

#### **Summary of Report:**

Council is to consider adopting Living Values arising from an interactive preparation program.

#### **Description of Proposal:**

One Degree Advisory was appointed to undertake a values program and the principal Mr Andy Farrant completed a number of staff and elected member forums through November and December 2024. One Degree Advisory has completed similar programs with a range of local governments and private companies.

Mr Andy Farrant of One Degree Advisory has now provided the draft Living Values ready for consideration by the Council. The draft Living Values are included in an unformatted state at Attachment 17.02.24.03A.

The draft Living Values will be presented in different formats for different areas of application. Staff are currently formatting the values for these uses.

- The Values in their entirety will be prominently located in Shire workplaces.
- The Values in a summary form, will be included in Staff work documents such as Safety Meeting agenda's and minutes.
- Components of the living values will be included as agenda points to be discussed at staff meetings.

#### **Background:**

The Shire of Brookton has sought to introduce a structure of values into the operational work of the staff and the strategic endeavour of the Councillors.

The initiative is important step for the Shire. In committing to this action, adopting a set of values is not just a nice thing to have, rather is an essential element to a high-functioning organisation. Once well-embedded, evidence of increased motivation to drive improved service delivery and renewed staff commitment to each other and their customers will hopefully be daily outcomes via behaviours by staff and elected members.

An organisation's values, if active, are the foundation of its culture. The culture of a workplace is central to many successful operational elements. Its underlying principle goes well beyond 'what we do here' into the real power of great organisations. This power comes from each individual staff member as they make decisions and undertake actions that are informed by 'why and how do we do things'.

#### **Consultation:**

One Degree Advisory completed a number of staff and elected member forums through November and December 2024.

**Statutory Environment:** Nil

#### **Relevant Plans and Policy:**

There are no direct implications on other plans and policies, other than the Living Values would be incorporated into those plans in time, as they are reviewed or amended.

#### **Financial Implications:**

There are no direct financial implications from the adoption of Living Values.

#### **Risk Assessment:**

The risks of this matter are insignificant consequence with an unlikely likelihood of occurring.

| Consequence    | Incignificant | Minor    | Moderate | Major  | Extreme |
|----------------|---------------|----------|----------|--------|---------|
| Likelihood     | Insignificant | IVIIIIOI | Moderate | Major  | Extreme |
| Almost Certain | Medium        | High     | High     | Severe | Severe  |
| Likely         | Low           | Medium   | High     | High   | Severe  |
| Possible       | Low           | Medium   | Medium   | High   | High    |
| Unlikely       | Low           | Low      | Medium   | Medium | High    |
| Rare           | Low           | Low      | Low      | Low    | Medium  |

| Risk Rating | Action  |
|-------------|---|
| LOW         | Monitor for continuous improvement.   |
| MEDIUM      | Comply with risk reduction measures to keep risk as low as reasonably practical.                      |
| HIGH        | Review risk reduction and take additional measures to ensure risk is as low as reasonably achievable. |
| SEVERE      | Unacceptable. Risk reduction measures must be implemented before proceeding.                          |

#### **Community & Strategic Objectives:**

There are no direct implications for Community & Strategic Objectives other than the Living Values guide the Council's and Shire's approach to implementing or delivering on these objectives.

Attachment 17.02.24.03A - Draft Living Values

#### SHIRE OF BROOKTON - DRAFT LIVING VALUES

These values support our organisational culture.

They are the commitments we make to ourselves and our community.

Collaborate We will be supportive, applaud courage, celebrate success for us and the community. We will adapt to new circumstances, apply curiosity and share new things. | will:

- listen hard, speak less, and ask questions for understanding and clarity.
- share ideas, remind my colleagues of our work goals and demonstrate my leadership behaviours, acknowledge when things are going well and when we are facing difficulties.
- seek ways of working together and recognise when we succeed in our work.
- Compliment others when they are courageous and speak up.

# Learn We will grow our knowledge and experience and have pride in ourselves, our efforts and community.

#### I will:

- seek and accept new ways of doing things.
- research and share newfound skills and knowledge.
- ask for assistance and input when I'm not sure.

# Integrity We will demonstrate honest and open behaviour at all times. Our communications will be respectful, with empathy and be fully accountable for our own actions.

#### I will:

- communicate honestly with colleagues and respect their views.
- actively contribute to a culture of trust and openness in the Shire.
- be brave and speak up when things are not right.
- offer my colleagues support regardless of their background, role or experience.

# Resilient: We will meet the many challenges, identify and apply solutions and lean on our colleagues.

#### I will:

- be sure to include and engage with my workmates in a positive and constructive manner.
- look after myself, be mindful of my self-esteem and that of others.
- maintain a 'can-do' approach and seek support from others. be aware that my behaviour may impact on others and reduce their confidence.
- know my strengths and aware of my weaknesses.
