Niil	

Mr. George Linton

Question 1:

Can the Shire please continue investigating the large power bills I am receiving, as well as how the electricity bills are calculated, and why the power accounts are not held directly with the tenants of the units, rather than the Shire.

The CEO responded:

The Shire will continue to investigate the issue with the power bills associated with Mr. Linton's Senior Citizen Unit.

Question 2:

One on of my neighbours' units, during winter 2021, some of the fascia off the eaves fell down during a storm. This was reported to the Shire within 2 days, and still has not been repaired. Can the Shire please ensure this is fixed before this coming winter to prevent further damage to the unit.

The CEO responded:

Yes, will ensure that this is investigated and repaired.

Mr. Linton left the meeting at 6.11pm and did not return.

File No: A2774

Date of Meeting: 17th March 2022

Location/Address: Lot 103 (6) Avonbank Close, Brookton

Name of Applicant: A. Pettit

Name of Owner: Shire of Brookton

Author/s: Gary Sherry – Chief Executive Officer **Authorising Officer:** Gary Sherry – Chief Executive Officer

Declaration of Interest: The author and authorising officer do not have an interest in this item

Voting Requirements: Simple Majority

Previous Report: N/A

Summary of Item:

Council is to consider the proposed offer to purchase Lot 103 Avonbank Close, Brookton, noting that the offer includes GST so that if accepted the Shire will have a net income of \$60,000. Further information in relation to GST is included in the comment section of this report.

Description of Proposal:

An offer has been received for the purchase of Lot 106 (6) Avonbank Close, Brookton for an amount of \$60,000.

Background:

June 2021

Council at its June 2021 Ordinary Meeting resolved (OCM 06.21-08) to relist the remaining Avonbank lots based on current valuation prepared by Acumentis Valuers in May 2021.

Council endorsed the prices for each lot and agreed to an exclusive sales listing being awarded to McMahon Real Estate for a period of 6 months.

Additionally, Council applied the following:

- 1. A \$5,000 rebate to each lot for construction of a single house within 24 months of the land transfer occurring.
- 2. Advice/Conditions to the sale of the respective lots as listed below:
 - The use of repurposed buildings (i.e. donga) is not permitted.
 - The connection to an approved onsite effluent disposal system.
 - A minimum internal floor area for a single house being 100m² (excludes a verandah, garage, or carport).

A summary of the valuations, advertised sales price and completed sales prices is included in the following table.

Lot No.	M²	Valuation Prices \$	Advertised Sale Price \$	Sale Price (GST Inclusive) \$
102	3,712	60,000	66,000	60,000
103	3,712	60,000	66,000	
104	3,303	55,000	60,500	
105	2,390	50,000	55,000	55,000

July 2021

Council at its July 2021 Ordinary Meeting considered an offer from Mr A Petit and Ms Khaula to purchase Lot 102 Avonbank Close for \$50,000. Council resolved to decline that offer and submit a counter-offer of \$60,000.

October 2021

Council accepted an offer for the purchase of Lot 102 Avonbank Close for \$60,000. This sale was settled in January 2022.

December 2021

Council settled the sale of Lot 105 Avonbank Close for \$55,000.

Council is now in receipt of an offer from Mr AL Petit to purchase Lot 103 for \$60,000 (including GST) with a deposit of \$5,000 to be paid within seven (7) days of acceptance, and settlement to occur ninety (90) days from acceptance of the offer. A copy of the offer is presented as *Confidential Attachment* 12.03.22.01A.

Consultation:

Consultation has been undertaken with McMahon Real Estate.

The required advertising has occurred to the proposed sale by private treaty. No submissions have been received.

Statutory Environment:

Local Government Act 1995, section 3.58

3.58. Disposing of property

(1) In this section —

dispose includes to sell, lease, or otherwise dispose of, whether absolutely or not; property includes the whole or any part of the interest of a local government in property, but does not include money.

- (2) Except as stated in this section, a local government can only dispose of property to
 - (a) the highest bidder at public auction; or
 - (b) the person who at public tender called by the local government makes what is, in the opinion of the local government, the most acceptable tender, whether or not it is the highest tender.
- (3) A local government can dispose of property other than under subsection (2) if, before agreeing to dispose of the property
 - (a) it gives local public notice of the proposed disposition
 - (i) describing the property concerned; and
 - (ii) giving details of the proposed disposition; and
 - (iii) inviting submissions to be made to the local government before a date to be specified in the notice, being a date not less than 2 weeks after the notice is first given; and
 - (b) it considers any submissions made to it before the date specified in the notice and, if its decision is made by the council or a committee, the decision and the reasons for it are recorded in the minutes of the meeting at which the decision was made.
- (4) The details of a proposed disposition that are required by subsection (3)(a)(ii) include
 - (a) the names of all other parties concerned; and
 - (b) the consideration to be received by the local government for the disposition; and
 - (c) the market value of the disposition
 - (i) as ascertained by a valuation carried out not more than 6 months before the proposed disposition; or
 - (ii) as declared by a resolution of the local government on the basis of a valuation carried out more than 6 months before the proposed disposition that the local government believes to be a true indication of the value at the time of the proposed disposition.

Relevant Plans and Policy:

Council Policy 2.11 - Koorrnong Residential Estate, which in part states:

To encourage the sale and development of the individual lots;

- The following purchase price for the respective remaining lot(s) for sale at "Koorrnong" (pursuant Section 3.58(4)(c)(ii)) of the Local Government Act 1995 shall apply:
 - Lot 102 \$66,000 or nearest offer
 - Lot 103 \$66,000 or nearest offer
 - Lot 104 \$60,500 or nearest offer
 - Lot 105 \$55,000 or nearest offer
- A \$5,000 rebate applies where the purchaser produces a Builder's Certificate giving notice of practical completion of a dwelling within 24 months of settlement of the sale of the property.
- The CEO ensuring such condition is explicitly contained within the contract of offer documentation relating to the sale.
- The Council may from time to time apply an alternative approach (i.e. tender, action, raffle) to market and promote the sale of the subject lots.
- The following conditions will apply:
 - o The use of repurposed buildings (i.e. donga) is not permitted.
 - The connection to an approved onsite effluent disposal system.
 - A minimum internal floor area for a single house being 100m2 (excludes a verandah, garage, or carport).

Financial Implications:

Whilst Council has received an offer of \$60,000, this offer is less than the requirements of Policy 2.11.

Any sale proceeds will include GST of \$5,455, commission fees, settlement agency fees and other minor Land transfer fees will reduce the final net amount Council receives.

A further \$5,000 rebate/payment by Council may be required should the purchasers achieve the practical completion of a dwelling within the 24 months of settlement

Risk Assessment:

Whilst the requirement for Council to adhere to the disposal process as highlighted in the Statutory Environment section of this report, does not technically allow Council to confirm the final acceptance until after the advertised period for public comment (minimum 14 Days), it's considered unlikely that any comment opposing the sale will be received and the "Offer and Acceptance' document allows for settlement to be 90 days from acceptance. Therefore, on this basis it has been assessed that the risk for the sale of the lot is considered 'Low'

Community & Strategic Objectives:

The delivery of core business and services detailed in the Shire of Brookton Corporate Compendium – October 2020, duly appended to the Next Generation BROOKTON Corporate Business Plan <2021. Specifically, the request for listing/sale of the Avonbank lots broadly aligns to *Function 4 Property Management*.

Comment

The 'Offer and Acceptance submitted by the Real Estate Agent for Lot 103 is less than the advertised sale price of \$66,000 but in line with the May 2021 valuation.

In July 2021 Council counter offered \$60,000 for the very similar Lot 102. Council subsequently accepted an offer of \$60,000 for lot 102 in October 2021.

OFFICER'S RECOMMENDATION

That Council:

- 1. Pursuant Section 3.58 of the Local Government Act, 1995 and in respect of Lot 103 Avonbank Close, Brookton, authorise the Acting Chief Executive Officer to sign the Offer and Acceptance form accepting the offer of \$60,000; and
- 2. Authorise the Shire President and Chief Executive Officer to execute any legal documents to finalise the sale of the Lot 103 Avonbank Close including the affixing of the Shire of Brookton Common Seal to any documents requiring it.

Previous Report: N/A

Summary of Item:

Council is consider taking control of the Brookton CRC management contracts and assets of the Brookton CRC Inc. and operate the Brookton CRC under the Shire of Brookton.

Description of Proposal:

The Brookton CRC Inc. is having difficulty retaining a management committee and has offered the Shire of Brookton to take control of the CRC (Community Resource Centre) management contracts and assets of the Brookton CRC Inc. to ensure that the Brookton CRC remains operating.

Background:

The Brookton CRC is currently managed by the incorporated association Brookton CRC Inc.

Currently the Brookton CRC provides the following services to the community:

- Access point for MyGov and Centrelink
- video conferencing
- Telehealth Services
- Local printing/ publishing requirements
- Training Services
- Production of the local newspaper (Brookton Telegraph)
- Office rental

The Brookton CRC brings the following income into the Brookton economy:

- Department of Primary Industry and Regional Development (DPIRD) Grant if KPIs are met
- Additional CRC grants
- Training fees from courses run

The Brookton CRC also generates revenue from within Brookton from event management, office rentals, general secretarial work, and advertising from the Brookton Telegraph.

Importantly both the Brookton CRC Inc. and the Brookton CRC Coordinator believe that the operations of the Brookton CRC are currently financial.

The current Brookton CRC Inc. committee format is becoming unsupportable. Member numbers are dwindling, and the committee is finding it difficult to locate individuals who are willing to take on executive roles such as the Chairperson, Treasurer or Secretary. The current Chair and Secretary have resigned, and the Treasurer is looking to remove herself from the role.

If these roles cannot be filled the committee cannot continue to operate and this will leave two options:

- a) Close the Brookton CRC; or
- b) The Shire of Brookton incorporate the operation of the services/contracts of the Brookton CRC under the Shire of Brookton.

The Brookton CRC Inc met Wednesday 16th February 2022 and proposed to have the Shire of Brookton take over the management of the Brookton CRC and that the Brookton CRC Inc. be dissolved. This decision was advertised and the Brookton CRC Inc invited community feedback.

Brookton CRC Inc received 8 submissions.

Comment	Option 1 – Community Management Committee	Option 2 – Shire Operated	Option 3 – Cease Operations	Willing to join a Community Committee
1	1			No
2	1			No
3		1		
4	1			No
5		1		
6	1			No
7	1			Yes
8	1			Yes

The overwhelming sentiment of the submissions received by the Brookton CRC Inc received was that the CRC service was valuable to the community and needed to be retained. The submissions the preference for a community management committee to operate the CRC, but a majority of submissions identified that a Shire operated CRC was preferable to no CRC. Only two public submissions indicated any willingness to join a management committee.

Additional details of the submissions are included in the *Confidential Attachment 13.03.22.01A*. This attachment is confidential because staff do not have the permission to publish the submissions, but their sentiment is considered extremely valuable for Councillors in reviewing the submissions' sentiment.

The Brookton CRC Inc met on 8th March 2022 and resolved to offer the management and assets of the Brookton CRC to the Shire of Brookton. The Brookton CRC Inc have advertised that decision. The Letter of

Staff believe that the Council needs to move to ensure that the Brookton CRC remains an ongoing concern to:

- Provide the ongoing community services continue; and
- Continue to attract the revenue into the Brookton economy.

Throughout the state currently 12% of CRC's are managed by their local government. These include CRC's in the Shires of Wongan – Ballidu, Boddington and Katanning.

The advantages of a Shire controlled Brookton CRC are that all the management committee's current burden, including employee management and oversight and financial control, are easily incorporated into the Shire of Brookton's day to day operations.

The disadvantages of a Council controlled Brookton CRC is the potential loss of some of the spontaneous, community orientated management that ensures a financial CRC and the delivery of the best local services.

Consultation:

Staff have met or discussed issues with

- Brookton CRC Inc members;
- Key Brookton CRC employees; and
- the Project Manager CRC Program of DPIRD who manages CRC contracts across the state.

The Brookton CRC Inc has extensively advertised their proposal in the community and received 8 submissions.

Statutory Environment:

The Shire of Brookton is able to enter into contracts with DPIRD and others to manage the Brookton CRC.

Relevant Plans and Policy:

Nil at this time. Council would need to consider policy responses if management of the Brookton CRC was to occur.

Financial Implications:

There will be an unknown financial implication for the Shire of Brookton in management of the CRC. The Shire of Brookton would receive all the income and pay all expenses.

There is significant income from contracts to operate a CRC provided by the DPIRD. The Shire operated CRC would need to meet contractual conditions to receive this funding.

There is significant expense in managing the Brookton CRC. The most significant expenses include staff wages and the rent on the Brookton CRC premises.

Risk Assessment:

The Officer's Recommendation seeks to undertake a review of the Brookton CRC operation and further consult in the community. Both these actions would reduce risk to Council.

Consequence	Insignificant	Minor	Moderate	Major	Evetucino

MEDIUM	Comply with risk reduction measures to keep risk as low as reasonably practical.
нібн	Review risk reduction and take additional measures to ensure risk is as low as reasonably achievable.
SEVERE	Unacceptable. Risk reduction measures must be implemented before proceeding.

Community & Strategic Objectives:

The Brookton CRC does not appear specifically appear in the Shire of Brookton's current Community & Strategic Objectives. However the services provided by the CRC does provide services which are represented under goals as diverse as Social Innovation, Jobs and Volunteering, Older Population, Community Engagement, Technology and Automation, Education, Town Precinct,

Comment

The view of staff remains that the best form of management of the Brookton CRC is a community committee. This is the most responsive and energetic form of management.

However, the management of a CRC is a significant undertaking, involving considerable funds and the supervision of employees. The workload for this form of management can place a burden on members of such a committee than will eventually burn out members if there is not continual renewal. This is particularly common on CRC management committees. Part of the problem with attracting committee members to the Brookton CRC Inc is that a number of supporters of the CRC in the community have served previously on the Brookton CRC Inc committee and, knowing what is required of them, don't wish to return.

The Officer's recommendation seeks to have Council undertake a review of how the operation of the CRC could occur under Shire management and to invite public comment. It is highly likely that a section of the wider Brookton community will not be supportive of this move. This consultation gives further opportunity for people willing to step up to the management committee of the Brookton CRC Inc.

OFFICER'S RECOMMENDATION

That Council:

- 1. proposes to accept the offer for the Shire of Brookton to take control of the management contracts and assets of the Brookton Community Resource Centre Inc. to ensure that the valuable services of the Brookton CRC remain available to the Brookton community;
- 2. have staff complete a review of the operations of the CRC and the possible impacts of the Shire of Brookton taking control of the Brookton CRC management including:
 - any legal issues around the proposed transfer of assets by the Brookton CRC Inc.;
 - b) any potential financial impacts for the Shire of Brookton;
 - c) the ability to take over/enter into service contracts with the DPIRD to provide CRC services;
 - d) any issues regarding employment of exiting Brookton CRC staff;
 - e) any statutory implications for Shire of Brookton's ongoing management of the Brookton CRC;
 - f) any other management issues;
- 3. seek input from the Brookton community on the proposed Shire of Brookton control of the of the management contracts and assets of the Brookton Community Resource Centre Inc; and
- 4. advise the Brookton CRC Inc that the Shire will consider their offer and respond in April 2022;

9th March 2022

Dear Gary

Thank you for meeting with representatives from the Brookton Community Resource Centre last month. Following our March meeting yesterday, the below motion was carried:

Motion: Following the receipt of community responses from the Public Consultation being less than 1% of the Brookton Shire population, we the management committee have resolved to offer the Brookton Shire Council control of the management contracts and assets of the Brookton Community Resource Centre Inc., and for the BCRC management committee to carry out the necessary transfers, if the Shire of Brookton wish to accept this offer.

Moved: Theresa Fancote Seconded: Bec Eva Motion Carried: 4/1

On behalf of the Brookton CRC management committee, I would like to therefore formalize this offer by way of this correspondence.

I have also attached the responses received from the community during the consulting period, and would like to acknowledge that some community members indicated their interest in continuing in the current management committee format. These persons were Gail MacNab, Paul Allard, Terry McKinley, Vincent D'Souza and Karry Fisher, though Gail was the only person who emailed via the requested channel. The committee did not personally speak to or receive correspondence from the others mentioned.

The management committee would also like to issue a Public Notice of Intention, see attached, and seek your approval to move forward with the content and publication.

Yours sincerely

Julie Jefferson
On behalf of the BCRC Management Committee

Ms. Martin and Ms. Fisher-Watts left the meeting at 6.20pm and did not return.

Summary of Item

The purpose of this report is to present the list of payments for the month of February 2022, as required under the Local Government (Financial Management) Regulations 1996.

Description of Proposal

To present to Council the accounts paid under Delegation 1.1, Power to Make Payments.

Background

In accordance with Local Government (Financial Management) Regulations 1996 Clause 13 (1) schedules of all payments made through Council's bank accounts are presented to Council.

There has been no consultation on this matter.

Statutory Environment

Regulation 13 of the Local Government (Financial Management) Regulations 1996 states:

13. Payments from municipal fund or trust fund by CEO, CEO's duties as to etc.

- (1) If the local government has delegated to the CEO the exercise of its power to make payments from the municipal fund or the trust fund, a list of accounts paid by the CEO is to be prepared each month showing for each account paid since the last such list was prepared
 - (a) the payee's name; and
 - (b) the amount of the payment; and
 - (c) the date of the payment; and
 - (d) sufficient information to identify the transaction.
- (2) A list of accounts for approval to be paid is to be prepared each month showing
 - (a) for each account which requires council authorisation in that month
 - (i) the payee's name; and
 - (ii) the amount of the payment; and
 - (iii) sufficient information to identify the transaction; and
 - (b) the date of the meeting of the council to which the list is to be presented.
- (3) A list prepared under sub-regulation (1) or (2) is to be
 - (a) presented to the council at the next ordinary meeting of the council after the list is prepared; and

(b) recorded in the minutes of that meeting.

The Local Government (Administration) Regulations 1996 require that:

- 13. Publication of unconfirmed minutes of meetings (Act s. 5.25(1)(i))
 - (1) The CEO must publish on the local government's official website
 - (a) the unconfirmed minutes of each council and committee meeting that is open to members of the public;

Relevant Plans and Policy

The Chief Executive Officer, under relevant delegation, is authorised to arrange purchase of specific items in the budget, which do not require calling tenders, providing that it is within the approved and adopted budget.

Financial Implications

No financial implications have been identified at the time of preparing this report.

Risk Assessment

The risk in relation to this matter is assessed as 'Medium' on the basis that if Council does not accept the payments. The risk identified would be failure to fulfil statutory regulations or compliance requirements. Shire Officer's provide a full detailed listing of payments made in a timely manner.

Consequence	Insignificant	Minor	Moderate	Major	Extreme
Likelihood					
Almost Certain	Medium	High	High	Severe	Severe
Likely	Low	Medium	High	High	Severe
Possible	Low	Medium	Medium	High	High
Unlikely	Low	Low	Medium	Medium	High
Rare	Low	Low	Low	Low	Medium

Risk Rating	Action
LOW	Monitor for continuous improvement.
MEDIUM	Comply with risk reduction measures to keep risk as low as reasonably practical.
HIGH	Review risk reduction and take additional measures to ensure risk is as low as reasonably achievable.
SEVERE	Unacceptable. Risk reduction measures must be implemented before proceeding.

Community & Strategic Objectives

This item relates to delivery of core business and services detailed in the Shire of Brookton Corporate Compendium – October 2020, duly appended to the Next Generation BROOKTON Corporate Business Plan <2021.

14.03.22.02 STATEMENT OF FINANCIAL ACTIVITY FOR THE PERIOD ENDED 28 FEBRUARY 2022

File No: N/A

Date of Meeting: 17th March 2022

Location/Address: N/A

Name of Applicant: Shire of Brookton
Name of Owner: Shire of Brookton

Author/s: Charlotte Cooke – Finance Officer

Authorising Officer: Cherie Delmage – Acting Manager Corporate & Community

Declaration of Interest: The authors have no financial interest in this matter

Voting Requirements: Simple Majority **Previous Report:** 17th February 2022

Summary of Item:

The Statement of Financial Activity for period ending 28 February 2022 together with associated commentaries are present for Council's consideration.

Description of Proposal:

That Council receives the Statement of Financial Activity for the period ended 28 February 2022, as presented.

Background:

In accordance with regulation 34 of the *Local Government (Financial Management) Regulations* 1996, the Shire is to prepare a monthly Statement of Financial Activity for approval by Council. December and January's reports are presented in February as Council does not meet in January.

Consultation:

Reporting officers receive monthly updates to track expenditure and income.

Statutory Environment:

Section 6.4 of the *Local Government Act 1995* requires a Local Government to prepare an annual financial statement for the preceding year and other financial reports as they prescribed.

Regulation 34(1) of the *Local Government (Financial Management) Regulations 1996* as amended requires the Local Government to prepare monthly financial statements and report on actual performance against what was set out in the annual budget.

Relevant Plans and Policy:

There is no Council Policy relevant to this item.

Financial Implications:

The Budget is regularly monitored on at least a monthly basis, by the Chief Executive Officer, the Manager Corporate & Community and the Senior Finance Officer. Responsible Officers are also required to review their particular line items for anomalies each month, with a major review required by law, between 1 January and 31 March of each year pursuant to the *Local Government (Financial Management) Regulations* 1996 (Regulation 33A).

Any material variances that have an impact on the outcome of the budgeted closing surplus position are detailed in the Monthly Financial Report contained within *Attachment 14.03.22.02A*.

Risk Assessment:

The risk in relation to this matter is assessed as 'Low' on the basis that if Council does not receive the Monthly Financial Reports for the month reported leading to the Shire not meeting legislative

requirements on financial reporting. The risk identified would be failure to fulfil statutory regulations or compliance requirements.

Consequence	Insignificant	Minor	Moderate	Major	Extreme
Likelihood					
Almost Certain	Medium	High	High	Severe	Severe
Likely	Low	Medium	High	High	Severe
Possible	Low	Medium	Medium	High	High
Unlikely	Low	Low	Medium	Medium	High
Rare	Low	Low	Low	Low	Medium

Risk Rating	Action
LOW	Monitor for continuous improvement.
MEDIUM	Comply with risk reduction measures to keep risk as low as reasonably practical.
HIGH	Review risk reduction and take additional measures to ensure risk is as low as reasonably achievable.
SEVERE	Unacceptable. Risk reduction measures must be implemented before proceeding.

Community & Strategic Objectives:

Responsible financial management is critical to deliver on the Strategic Community Plan.

The Corporate Business Plan determines the local government's resource allocations which form the construction of the Annual Budget. The financial statements thus measure performance against the Corporate Business Plan by providing comparatives against the Annual Budget.

This item relates to delivery of core business and services detailed in the Shire of Brookton Corporate Compendium – May 2018, duly appended to the Next Generation BROOKTON Corporate Business Plan <2021.

Specifically, the contract services supports the following Business Unit and Functions:

- 18. Financial Control
 - 18.2 Conduct external/internal audits and reporting
 - 18.4 Review/Manage financial investments
 - 18.5 Process rates, other revenues, timely payments

Comment

The Monthly Financial Reports has been prepared in accordance with statutory requirements.

OFFICER'S RECOMMENDATION

That Council receives the Monthly Statements of Financial Activity for the 28 February 2022, in accordance with Section 6.4 of the Local Government Act 1995 and Regulation 34 of the Local Government (Financial Management) Regulations 1995 as presented in Attachment 14.03.22.02A.

(Simple majority vote required)

Summary of Item:

Council is to consider submissions to the Expression of Interest for the Brookton Gravity Sewer Network Upgrade.

Description of Proposal:

Nil

Background:

Council has been increasingly aware of maintenance issues relating to the Brookton Gravity Sewer Network.

In 2020 Council commenced but did not complete a inspection and review of the Brookton Gravity Sewer

Network. Approximately 40% of the Brookton Gravity Sewer Network has been reviewed by camera inspection. The inspection completed highlighted issues relating to the age of the Network and illegal connections. Council continues to complete urgent repairs.

As part of the 2021/22 Annual Budget, Council allocated \$650,000 to the Brookton Gravity Sewer Network Upgrade.

In January 2022 Council Expression of Interest for the Brookton Gravity Sewer Network Upgrade.

The Local Government (Functions and General) Regulations 1996 define an Expression of Interest (EOI) as when a local government decides to make a preliminary selection from amongst prospective tenderers for the supply of the goods or services. These regulations include compliance requirements for a local government's Expression of Interest. After completing the EOI, a local government would issue a Request to tender to only those who were selected through the EOI process.

As part of the EOI, Council requested information including:

- An outline of the organisation's experience and qualifications to undertake the proposed works, including previous works undertaken and at least two referees regarding these works.
- > Details of relevant key staff who would be responsible to manage the project and their relevant experience
- Relevant insurance policies such as public liability, professional indemnity, and workers compensation.

EOI's were required to be received no later than 4pm on Wednesday 9 February 2022.

Council received EOI submissions from:

- 1. Aaro Group;
- 2. Allpipe Technologies;
- 3. Interflow;
- 4. Pipeline Technics/Cleanflow Environmental Solutions as a combined; and
- 5. TGDM.

Staff also responded to other companies enquiring about the EOI.

In reviewing the EOI's submitted:

- All submissions were of a very high standard;
- All the companies had significant resources. One company has operations in Australia and New Zealand, are multination and national companies. Two companies have operations across Australia. The other companies are Western Australian with significant years of operations. All companies maintain Western Australian facilities;
- All submissions included extensive lists of skilled and experienced staff
- Most submission included extensive lists of projects completed and referees;
- All the companies had significant experience in drainage and sewer contracting. Most companies had companies had completed multiple contracts with the Water Corporation;
- > Two companies have experience in working on sewer projects for the Shire of Brookton; and
- All companies maintained appropriate insurances.

A summary of the staff review is included at *Confidential Attachment 17.03.22.01A*.

The Officer's Recommendation includes all of the EOI's received as being capable of satisfactorily supplying the goods or services to complete a Brookton Gravity Sewer Network Upgrade.

Consultation:

Advise has been received

Statutory Environment:

Local Government (Functions and General) Regulations 1996

- 21. Limiting who can tender, procedure for
 - 1) If a local government decides to make a preliminary selection from amongst prospective tenderers, it may seek expressions of interest with respect to the supply of the goods or services.
 - 2) deleted1
 - 3) If a local government decides to seek expressions of interest before inviting tenders, Statewide public notice that expressions of interest are sought is to be given.
 - 4) The notice is required to include
 - a. a brief description of the goods or services required; and
 - b. particulars identifying a person from whom more detailed information may be obtained; and
 - c. information as to where and how expressions of interest may be submitted; and
 - d. the date and time after which expressions of interest cannot be submitted.
- 22. Minimum time to be allowed for submitting expressions of interest

The time specified in the notice as the time after which expressions of interest cannot be submitted has to be at least 14 days after the notice is —

- a) published on the local government's official website; and
- b) published in at least 3 of the ways prescribed in the Local Government (Administration) Regulations 1996 regulation 3A(2).
- 23. Rejecting and accepting expressions of interest to be acceptable tenderer
 - 1) An expression of interest is required to be rejected unless it is submitted at a place, and within the time, specified in the notice.
 - 2) An expression of interest that is submitted at a place, and within the time, specified in the notice but that fails to comply with any other requirement specified in the notice may be rejected without considering its merits.
 - 3) Expressions of interest that have not been rejected under subregulation (1) or (2) are to be considered by the local government and it is to decide which, if any, of those expressions of interest are from persons who it thinks would be capable of satisfactorily supplying the goods or services.
 - 4) The CEO is to list each of those persons as an acceptable tenderer.
- 24. People who submitted expression of interest to be notified of outcome

The CEO is to give each person who submitted an expression of interest notice in writing —

- a) containing particulars of the persons the CEO has listed under regulation 23(4) as acceptable tenderers; or
- b) advising that the local government has decided not to invite tenders because no expression of interest that it considered was from a person who it thinks would be capable of satisfactorily supplying the goods or services; or
- c) informing the person of any other outcome if neither paragraph (a) nor (b) is appropriate.

Relevant Plans and Policy:

Nil at this time.

Financial Implications:

Council has allocated \$650,000 in the 2021/22 Annual Budget.

Council is currently completing repairs and upgrades to sections of the Brookton Gravity Sewer Network as a need arises. A more comprehensive, planned approach would be financially beneficial to Council in the longer term.

Risk Assessment:

Following a review of approximately 40% of the Brookton Gravity Sewer Network, Council is aware of asset management issues with the network that need addressing. Failure to respond will result in significant consequences.

Comment

Council has attracted a commendable list of companies to submit EOI's for the Brookton Gravity Sewer Network Upgrade. Staff believe that all the EOI's are capable of completing nay work required.

With acceptance by Council, staff will commence preparing specifications for releasing a tender to the selected companies. This process is expected to be a staged process including:

- 1. Inspection and assessment of the remaining 60% of the Brookton Gravity Sewer Network; and
- 2. Completion of works associated with the Brookton Gravity Sewer Network.

OFFICER'S RECOMMENDATION

That Council, after reviewing the Expressions of Interest received for the Brookton Gravity Sewer Network Upgrade, selects:

- 1. Aaro Group;
- 2. Allpipe Technologies;
- 3. Interflow;
- 4. Pipeline Technics/Cleanflow Environmental Solutions; and
- 5. TDM;

as capable of satisfactorily supplying the goods or services associated with the Brookton Gravity Sewer Network Upgrade and will provide any Request of Tender for any Brookton Gravity Sewer Network Upgrade to only these selected businesses.

Previous Report: 3rd December 2020, 4th March 2021 and 21st May 2021

Summary of Item:

Council is to consider confirming endorsement of the schematic design prepared by Stephen Carrick Architects of the Brookton Memorial (Community) Hall. A copy of the Option 2b being the draft final schematic design is presented as **Attachment 17.03.22.02A** to this report.

The Quantity Surveyor's (QS) detailed costings can be provided to Councillors, upon request.

Description of Proposal:

To endorse the draft schematic design prior to commencement of further design stages.

Background:

As previously reported, the Shire of Brookton is at the 'crossroads' in addressing community need for a Hall, with the existing Memorial (Town) Hall buildings being presently underutilised, and requiring structural rejuvenation, and aesthetic enhancement.

Following an eight (8) week public consultation process to obtain input on the three possible options of restoring, refurbishing, or replacing the existing Brookton Memorial Hall, the Council passed the following motion at a Special Meeting on 3rd March 2021:

In March 2020 Council decided:

That Council:

- 1. Notes the very positive and constructive feedback received from the community on all options through the public submission process.
- 2. Endorses 'Option 2 Memorial Hall Adaption' as the selected option for a community hall moving forward.
- 3. Acknowledges the importance of Memorial Hall and agrees to progress further review and refinement to the hall design to arrive at a final plan with guidance from the Architect and taking into consideration suggested changes from the Community and Councillors received through this process.
- 4. Upon finalising the hall design, agrees to establish and adhere to a project delivery plan and indicative timeframe premised on:
 - a) Funding availability and budgetary considerations.
 - b) Statutory approval processes and regulatory compliance requirements.
 - c) Achieving cost efficiencies where possible and practical.
 - d) Minimising disruption to the Community.
 - e) Instilling an informative understanding of the process to be followed.

After refinement of the design through discussion with Elected Members, and the project Architects, in May 2021 Council decided:

That Council endorses:

- 1. The final design 'Option 2b Memorial Hall Adaptation', as presented in Attachment 12.05.21.01A to this report.
- 2. Further discussion being entertained on:
 - a) An estimated \$3.43m of funding for 'Option 2b Memorial Hall Adaptation' for possible inclusion in the 2021-22 and 2022-23 municipal budgets;
 - b) Progression of the schematic design of the Memorial Hall kitchen layout with an allocation of \$5,600 to be included in the 2021-22 budget; and
 - c) Possible inclusion of the cost for the kitchen fit out in the 2022-23 budget.
- 3. The actions, and indicative timelines, for redevelopment of the Memorial Hall (as provided below) through a possible staged approach should the \$3.43m of funding plus kitchen costs be included in the 2021-22 and 2022-23 budgets.

At the Brookton Memorial Hall Project Working Group Meeting held on Tuesday 15th March 2022, Stephen Carrick Architects provided an update schedule of design development including:

Stage	Scheduled Date	Milestone	Actions
1	15 Mar 2022	Inception Meeting	Held Tuesday 15 th May
2	5 Apr 2022	Schematic Sign Off	Council to review and provide any changes or further requirements
3	12 Apr 2022	Secondary Consultant Engagement	Shire to review consultants and quotations
4	26 Jul 2022	Design Development and Cost Estimate	Shire to have review period following submission of design development
5	4 Oct 2022	Construction Documentation, Specification and Pre-tender estimate	Shire to have review period following submission of contract documentation
6	13 Dec 2022	Tender Process Commences	

This report to Council is to confirm completion of Stage 2 of the design schedule with schematic sign off. At their meeting, the Brookton Memorial Hall Project Working Group approved the schematic design included at **Attachment 17.03.22.02A**.

If Council does not identify any issues in the schematic design included at **Attachment 17.03.22.02A**, Council can authorise further stages of the design process to commence.

Consultation:

This project has involved an eight (8) week public consultation process, involving two (2) public presentations, and an address to Council, by the Architect together with a household letter drop, and promotion of the concept designs through various print, and electronic mediums.

Statutory Environment:

There is no statutory framework in relation to this matter.

Relevant Plans and Policy:

The public consultation was conducted in accordance Policy 2.41 – Community Engagement.

Financial Implications:

In 2021 Council obtained a cost estimate premised schematic design included at Attachment XXXXXXX.

Given the significant increases in building costs and even petrol prices since, the construction costs may have altered by the time tenders are submitted.

Memorial Hall – Option 2b		
(excludes external toilets – see Table 2)		
Construction C	Costs	
Description	Cost	
Renovation of Existing Building	\$1,329,000	
Extension to Existing Building	\$266,000	
New Covered Terrace	\$124,000	
Site Works	\$509,000	
Working Drawings	\$70,000	
Sub-total	\$2,298,000	
Building Allowances	and Fees	
Description	Cost	
Locality Allowance 15%	\$345,000	
Contingency 10%	\$230,000	
Professional Fees 12%	\$275,000	
Escalation to Tender 3%	\$69,000	
Sub-total	\$919,000	
Total	\$3,217,000	

Notes:

- Road works, carparking and hard/soft landscaping to be performed by the Shire with QS cost for these works reduced by 40%.
- Working drawings includes architectural drafting and engineering specification/certification.
- Contingency covers design and building elements.

The external toilets, separately costed, are estimated as follows in Table 2.

New External Toilets – Option 2b					
Cons	Construction Costs				
Description	Cost				
New Building	\$159,000				
Site Works	\$3,000				
Working Drawings	\$5,000				
Sub-total	\$167,000				
Build	ing Allowances				
Description	Cost				
Locality Allowance 15%	\$24,000				
Contingency 10%	\$18,000				
Escalation to Tender 3%	\$8,000				
Sub-total	\$50,000				
Total	\$217,000				

Notes:

- Cost includes working drawings but excludes professional (architectural) fees and authority approval costs.
- Contingency covers design and building elements.

The above costs also do not include an upgrade of the kitchen as Council requested the layout design be considered separately with expert advice/design on functionality and practicality.

Risk Assessment:

The risk associated with this matter is still assessed as 'High'. It is important the Council move forward on restoring the Hall to be fully functional to accommodate the Community's long-term need.

Consequence	Insignificant	Minor	Moderate	Major	Extreme	
Likelihood	msignincant	WIIIIOI	Moderate	Iviajoi	Extreme

MEDIUM	Comply with risk reduction measures to keep risk as low as reasonably practical.
HIGH	Review risk reduction and take additional measures to ensure risk is as low as reasonably achievable.
SEVERE	Unacceptable. Risk reduction measures must be implemented before proceeding.

Community & Strategic Objectives:

This proposal relates to Council's Next Generation BROOKTON Corporate Business Plan <2024 – Major Projects that lists 'Brookton Multipurpose Function Centre – refurbish, Restored or new', and Corporate Compendium public consultation on the Community Hall designs and costings also aligns to:

Business Function 9 – Asset Management Action – 9.5 Prepare Asset Management Plan – Memorial Town Hall
